The Background:

Tennessee State Board of Education Permit and License Denial, Formal Reprimand, Suspension, and Revocation Policy 5.501 details the procedures followed in cases of possible license denial, formal reprimand, suspension, or revocation and denial of a temporary permit.

This item proposes revisions to the policy to align with the Board approved revisions to its Denial, Formal Reprimand, Suspension, and Revocation Rule 0520-02-03-.09 incorporating statutory changes passed by the general assembly during the 2023 legislative session. Revisions also modify the language referring to criminal convictions and notice requirements to incorporate the Board approved revisions to its Rule.

Since first reading minor clarifying edits were made to ensure alignment of the Policy with State Board Rule 0520-02-03-.09 and to include appropriate cross-references to Board Policy 5.500. Additional non-substantive edits were made for clarity.
