

**RULES
OF
THE STATE BOARD OF EDUCATION**

**CHAPTER 0520-01-03
ACADEMIC AND INSTRUCTIONAL REQUIREMENTS**

0520-01-03-.16 PROMOTION AND RETENTION.

- (1) The academic program implemented in each public school shall be designed to help students achieve the expectations of the grade-level State Board approved Tennessee Academic Standards and meet the requirements for promotion to the next grade.
- (2) Promotion to the next grade level shall be based on the successful completion of required academic work or demonstration of satisfactory progress in each of the relevant academic areas.
- (3) Each LEA and public charter school governing body shall develop and implement promotion and retention policies for students in grades Kindergarten through eight (K-8) in accordance with T.C.A. § 49-6-3115, this Rule, and the State Board's Promotion and Retention Policy 3.300. The LEA or public charter school's promotion and retention policy shall include a right for the parent or legal guardian to appeal a decision to retain a student.
- (4) Schools shall identify students who demonstrate difficulty in achieving the requirements for promotion to the next grade level and therefore may be at risk for retention by February 1. However, a student may be identified as at risk for retention after February 1 if reasons for identifying a student as at risk for retention are identified in a lawfully adopted local board policy that identifies limited situations in which students may be identified as at risk for retention. Schools shall notify the parent or legal guardian of any student who is identified as at risk for retention within fifteen (15) calendar days of identification.
- (5) Factors used to identify students who are at risk for retention shall, at a minimum, include:
 - (a) The student's ability to perform at the expectations of the current grade-level standards;
 - (b) The results of local assessments, screening, or monitoring tools;
 - (c) State assessments, as applicable;
 - (d) Home Literacy Reports provided in accordance with T.C.A. § 49-1-905;
 - (e) The overall academic achievement of the student;
 - (f) The student's likelihood of success with more difficult material if promoted to the next grade;
 - (g) The student's attendance record; and
 - (h) The student's maturity.

(Rule 0520-01-03-.16, continued)

- (6) Schools shall develop and implement an individualized promotion plan for any student identified as at risk for retention to help the student avoid retention.
- (a) The individualized promotion plan shall be developed in coordination with the student's teachers, IEP or 504 team, if applicable, and may also include input from the student's parents, school counselor, or other appropriate school personnel. All promotion plans shall include evidence-based promotion strategies and shall be tailored to the student's learning needs. Each promotion plan shall also include expectations and measurements that can be used to verify that a student has made sufficient progress to be promoted to the next grade level. Promotion plans for students in grades three (3) and four (4) shall include the additional requirements for promotion set forth in paragraph (7) of this Rule.
 - (b) A copy of a student's promotion plan shall be provided to his or her parent or legal guardian, and the school shall offer to parents or legal guardians the opportunity for a parent-teacher conference to discuss the promotion plan.
 - (c) If a student is not making progress on his or her promotion plan, then the promotion strategies shall be modified to support the student in the goal of promotion to the next grade level. A student who demonstrates sufficient academic progress with the strategies included in his or her promotion plan during the school year shall be promoted to the next grade level unless retention is required as set forth in paragraph (7) of this Rule.
 - (d) If a student has not demonstrated sufficient academic progress as defined in his or her promotion plan by the end of the school year, the student shall be eligible to enroll in a summer reading or learning program if such program is available. For a student in grade three (3) who is identified for retention in accordance with paragraph (7) of this Rule and attends a summer reading or learning program, the program must be conducted in accordance with T.C.A. § 49-6-3115 and T.C.A. §§ 49-6-1501-1511.
 - (e) If the student was enrolled in a summer reading or learning program, a decision for retention shall be made and communicated to the parent or legal guardian in writing at least ten (10) calendar days prior to the start of the next school year, or, if the student was not enrolled in a summer reading or learning program, a decision for retention shall be made and communicated to the parent or legal guardian in writing at least thirty (30) calendar days prior to the start of the next school year. The notification to the student's parent or legal guardian of the retention decision shall be in writing and sent electronically and shall include information regarding the parent or legal guardian's right to appeal the retention decision in alignment with the LEA or public charter school's promotion and retention policy.
 - (f) Retention shall be considered only when it is in the best interests of the student, or if retention is required by paragraph (7) for students in grades three (3) and four (4). Retention decisions affecting a student receiving special education services shall be made in consultation with the student's Individualized Education Program (IEP) or 504 team and in accordance with the provisions of the IEP or 504 plan.

(Rule 0520-01-03-.16, continued)

- (g) If a retention decision has been made, then the school shall develop an individualized academic remediation plan for the retained student within thirty (30) calendar days after the beginning of the next school year. A copy of the academic remediation plan shall be provided to the student's parent or legal guardian within ten (10) calendar days of development of such plan.
 - 1. The academic remediation plan shall be developed in coordination with the student's teachers, IEP or 504 team, if applicable, and may also include input from the student's parents, school counselor, or other appropriate school personnel.
 - 2. The academic remediation plan shall be implemented to help the retained student attain and demonstrate learning proficiency and shall include at least one (1) of the following strategies:

 - (iii) Individual tutoring;
 - (iv) Modification to the student's classroom assignment to ensure the student receives instruction from a teacher with a level of overall effectiveness of above expectations (level 4) or significantly above expectations (level 5); or
 - (v) Attendance or truancy interventions.
- (h) A student shall not be retained more than one (1) time in any given grade level.
- (i) Retention shall not:
 - 1. Be used without an academic remediation plan;
 - 2. Be used as a punitive or disciplinary measure;
 - 3. Be based solely on English language proficiency, for students who are identified as English learners;
 - 4. Be based on the student's disability or suspected disability; or
 - 5. Be based solely on a student's maturity.
- (j) This Rule does not supersede an LEA's or public charter school's obligation to comply with the Individuals with Disabilities Education Act (20 U.S.C. § 1400 et seq.), or Section 504 of the Rehabilitation Act (29 U.S.C. § 794).

(Rule 0520-01-03-.16, continued)

Each LEA and public charter school shall notify all students in grade three (3) and grade four (4) of the following promotion and retention requirements at the beginning of each school year:
- (a) A student in grade three (3) shall not be promoted to the next grade level unless the student is determined to be proficient in English language arts (ELA) based on the student's achieving a performance level rating of "on track" or "mastered" (otherwise known as "met expectations" or "exceeded expectations") on the ELA portion of the student's most recent Tennessee comprehensive assessment program (TCAP) test.
 - (b) Notwithstanding paragraph (7)(a):
 - 1. A student in grade three (3) who is not proficient in ELA, as determined by the student's achieving a performance level rating of "approaching" on the ELA portion of the student's most recent TCAP test, may be promoted to the fourth (4th) grade if:
 - (i) Pathway 1: The student is an English language learner and has received less than two (2) full school years of ELA instruction;

 - (iii) Pathway 3: The student is retested in accordance with Department guidelines before the beginning of the next school year and scores proficient in ELA;
 - (iv) Pathway 4: The student attends a learning loss bridge camp before the beginning of the upcoming school year, maintains a ninety percent (90%) attendance rate at the camp, and the student's performance on the post-test administered to the student at the end of the learning loss bridge camp, as required under T.C.A. § 49-6-1502(4)(F), demonstrates adequate growth, as defined in the State Board's Promotion and Retention Policy 3.300; or

- (I) If a student is promoted to the fourth (4th) grade pursuant to this Pathway 6, then the student’s LEA or public charter school shall notify the student’s parent or guardian, in writing, of the benefits of enrolling their student in a learning loss bridge camp and encouraging the parent or guardian to do so.
 - (II) For the purposes of Pathway 6, “state-provided benchmark assessment” means the Tennessee Universal Reading Screener provided by the Department.
 - (III) The tutoring services provided to the student for the entirety of the student’s fourth (4th) grade year must be high-dosage, low ratio tutoring. For the purposes of this rule, “high-dosage, low-ratio tutoring” means a minimum of two (2) thirty (30) minute sessions per week with a one to three (1:3) teacher to student ratio. TN ALL Corps high dosage, low ratio tutoring may be provided through the following options, in accordance with T.C.A. § 49-6-1507:

2. A student in grade three (3) who is not proficient in ELA, as determined by the student's achieving a performance level rating of "below" on the ELA portion of the student's most recent TCAP test may be promoted to the fourth (4th) grade if:
 - (i) Pathway 1: The student is an English language learner and has received less than two (2) full school years of ELA instruction;

For the purposes of this Rule, "high-dosage, low-ratio tutoring" means a minimum of two (2) thirty (30) minute sessions per week with a one to three (1:3) teacher to student ratio. (Rule 0520-01-03-.16, continued)

1. In accordance with T.C.A. § 49-6-3115, an LEA or public charter school shall not retain a student with a disability or a suspected disability that impacts their ability to read.
 2. Retention and promotion decisions shall be made on a case-by-case basis and in consultation with the student's IEP and/or 504 team to determine whether the student's performance on the ELA TCAP was due to the student's disability. Such consultation includes, but is not limited to, a review of evaluation and eligibility data, input from the student's teachers and parents, benchmark assessments, and classroom performance.
- (f) Appeals to the Department.
1. The parent or legal guardian of a student who is identified for retention in third (3rd) grade pursuant to paragraph (7)(a) based on the student's achieving a performance level rating of "approaching" on the ELA portion of the student's most recent TCAP test, may appeal directly to the Department. A parent or legal guardian may provide written consent, on a form provided by the Department to LEAs and public charter schools, for a school principal, guidance counselor, teacher, or other administrator of the student's school to file an appeal for the student on behalf of the parent or legal guardian. The LEA or public charter school shall fully inform the parent or legal guardian of the student's pathways to fourth (4th) grade promotion prior to the parent or legal guardian signing the consent form. Signed consent forms shall be collected by the LEA or public charter school either electronically or on paper and shall be maintained for monitoring purposes by the LEA or public charter school.
 - (i) A decision to retain a student for any other reason, as set forth in paragraphs (1)-(6) of this rule may be appealed at the local level only, pursuant to the LEA or public charter school's promotion and retention policy.
 2. The appeal process for a student who is identified for retention in third (3rd) grade pursuant to paragraph (7)(a) based on the student's achieving a performance level rating of "approaching" on the ELA portion of the student's most recent TCAP test shall be administered by the Department. Information regarding the appeals process and timelines shall be posted on the Department's website. All appeals shall be submitted on the appeal forms provided by the Department and posted on its website. If an appeal is not submitted on the appropriate appeal form, the appeal shall be denied.
 3. The Department shall open the appeals window no later than five (5) business days after the Department releases individual student results to LEAs and public charter schools for the ELA portion of the 3rd grade TCAP. All appeals shall be submitted within the appeals window determined by the Department. The Commissioner's designee(s) shall review all properly submitted appeals, make a determination, and issue an electronic notification

(Rule 0520-01-03-.16, continued)

of the decision to the parent or legal guardian within fourteen (14) calendar days of receiving the appeal. An extension of the fourteen (14) calendar day timeline is permitted if the Commissioner determines exceptional circumstances exist with respect to a particular appeal requiring the Department to request additional information necessary to make a determination.

4. The Commissioner's designee(s) may overturn the identification of a student as at risk for retention in third (3rd) grade pursuant to paragraph (7)(a) and allow the student to be promoted to the fourth (4th) grade if the following ground is met:
 - (i) The parent or legal guardian of the student identified as at risk for retention in third (3rd) grade pursuant to paragraph (7)(a), or the school personnel authorized to file an appeal on behalf of the parent or legal guardian, documents that a catastrophic situation occurred on the third (3rd) grade ELA TCAP test date or within sixty (60) calendar days leading up to the third (3rd) grade ELA TCAP test administration (and any makeup opportunities) that impacted the student and impeded the student's ability to demonstrate the student's current level of knowledge on the test. Examples of a catastrophic situation include, but are not limited to, a death in the immediate family, loss of a family home, or significant medical diagnosis.
5. If the Commissioner overturns the identification of a student as at risk for retention in third (3rd) grade pursuant to a successful appeal under this subparagraph (f), the student may enroll in summer programming and/or tutoring opportunities provided by the student's LEA or public charter school, if the LEA determines sufficient space is available.
