
Local Education Agency (LEA) Compliance Report 2024-25

The Background:

Pursuant to State Board of Education Rule 0520-01-02-.01(2)(b), the Department of Education is required to submit an annual report of LEA compliance to the State Board. The report includes data pertinent to LEA compliance with State Board rules and regulations.

LEAs are classified as approved, conditionally approved, or non-approved based on their compliance with education laws and State Board of Education rules and regulations. Annually, LEAs receive a compliance letter listing their status based on their compliance in the previous school year. The Department requires LEAs to develop and implement corrective action plans for areas of noncompliance and re-monitors to ensure that LEAs come into compliance.
