
Charter School Authorizer Evaluations Policy 6.113

The Background:

Pursuant to T.C.A. § 49-13-145, the State Board of Education is charged with ensuring the effective operation of authorizers in the state and shall evaluate authorizer quality. Appendix A of this policy includes the State Board's evaluation rubric, which mirrors State Board Quality Charter Authorizing Standards Policy 6.111.

Chapter 275 of the Public Acts of 2025 (PC 275) amended several charter school processes and shifted responsibility for the development of various charter documents from the Tennessee Department of Education to the State Board. PC 275 also necessitated several of the changes made to the evaluation rubric in Appendix A of this policy that the State Board accepted during its August board meeting.

There have been no changes to this item since first reading other than minor clerical edits.
