**Charter School Governing Body Training Policy 6.112**

---

**The Background:**

T.C.A § 49-13-111(o) requires the State Board of Education (State Board) to approve training courses for charter school governing body members to meet the annual training requirement outlined in law. State Board Rules 0520-01-01-.11 and 0520-14-01-.07 outline the approval process and require the appointment of an advisory committee responsible for evaluating and recommending training courses for State Board approval.

While this item was revised and approved on first and final reading in May 2025, State Board staff became aware of an error in the number of hours listed for one of the training courses. The singular edit in this item reflects the necessary change to correct this error.

**Connection to the [Master Plan](#):**

This item supports the State Board's strategic focus on Engagement and Accountability outlined in the Master Plan by providing the list of approved training courses for governing body members to choose from in accordance with annual training requirements in T.C.A. § 49-13-111(o).

**The Recommendation:**

State Board staff recommends approval of this item on first and final reading.
