

Repeal Standards for School Administered Child Care Programs Rules 0520-12-01

The Background:

T.C.A. § 49-1-302(i)(2)(A) requires the Tennessee State Board of Education to promulgate rules establishing standards for the childcare programs enumerated in statute at T.C.A. § 49-1-302(i)(1). The rules establishing these standards are currently, but inadvertently, classified as rules of the Tennessee Department of Education, rather than rules of the State the Board of Education. Accordingly, this item repeals Chapter 0520-12-01 so that the Chapter may be properly refiled as a State Board of Education rule at Chapter 0520-08-01.

State Board staff will hold a rulemaking hearing to collect public feedback between first and final reading.

Connection to the [Master Plan](#):

This item supports the State Board's strategic focus on Engagement and Accountability outlined in the Master Plan by updating its rules and policies to align with state law and policy.

The Recommendation:

The SBE recommends acceptance of this item on first reading. TDOE staff concurs with this recommendation.
