POLICY SECTIONS:

I. Purpose

II. Academic Programs

III. Career and Technical Education Programs

I. Purpose

(1) The following approved courses may be offered for credit in grades 9-12. Some ~~of the~~ approved courses may be substituted for specific courses required for graduation credit requirements. The State Board of Education Graduation Permissions and Substitutions Policy 3.103 ~~For outlines~~ the list of allowable course permissions and substitutions, ~~please see the Graduation Substitutions Policy 3.103~~. The State Board of Education Graduation Requirements Rule 0520-01-03-.06 and High School Policy 2.103 detail graduation requirements.

(2) In addition to the courses listed below, ~~there are~~ course codes are available for Advanced Placement, International Baccalaureate, Cambridge, and Dual Enrollment courses. The Department of Education's Course Code Management System provides the full list of these courses.

~~(1)~~(3) Beginning in the 2025-26 school year, Statewide Dual Credit will be phased out over a three-year period. Courses listed in this policy that are set to be phased out are noted in italics. For more guidance, please see the Department of Education's website.
