
State Board of Education Member and Commissioner of Education Reports

The Background:

The State Board seeks to learn from and engage with education stakeholders across Tennessee by attending education stakeholder meetings, spending time visiting districts and schools, participating in committee meetings, and attending learning sessions throughout the year. State Board members will report on their engagement activities that occurred since the last quarterly Board meeting. Additionally, the Commissioner of Education will provide relevant updates from the Tennessee Department of Education.

Connection to the Master Plan:

This item supports the State Board's strategic focus on Engagement and Accountability outlined in the Master Plan by providing a public summary of various engagement and accountability events hosted by and/or attended by our members as well as updates from the Department of Education.

The Recommendation:
