

TENNESSEE STATE BOARD OF EDUCATION	
APPROVED HIGH SCHOOL COURSES	3.205

POLICY SECTIONS:

- I. Purpose**
- II. Academic Programs**
- III. Career and Technical Education Programs**

I. Purpose

- (1) The following approved courses may be offered for credit in grades 9-12. Some approved courses may be substituted for specific graduation credit requirements. The State Board of Education Graduation Permissions and Substitutions Policy 3.103 outlines the list of allowable course permissions and substitutions. The State Board of Education Graduation Requirements Rule 0520-01-03-.06 and High School Policy 2.103 detail graduation requirements.
- (2) In addition to the courses listed below, course codes are available for Advanced Placement, International Baccalaureate, Cambridge, and Dual Enrollment courses. The Department of Education’s Course Code Management System provides the full list of these courses.
- (3) Beginning in the 2025-26 school year, Statewide Dual Credit will be phased out over a three-year period. Courses listed in this policy that are set to be phased out are noted in italics. For more guidance, please see the Department of Education’s website.
