**2025-26 Accountability Hearings Recommendation for Corrective Action Report**

---

**The Background:**

Pursuant to T.C.A. § 49-3-112 and State Board Rules 0520-09-02, the State Board's Accountability Hearings Committee conducted 18 Accountability Hearings the week of March 23, 2026, for local education agencies (LEAs) and public charter schools that met the hearing criteria outlined in rule. Eligible LEAs and public charter schools were identified following the Tennessee Department of Education's release of the 2024-25 report card on December 18, 2025, and written notice of the hearings was issued on January 7, 2026.

At the conclusion of each hearing, the Hearing Committee voted on whether to propose corrective action to the State Board for approval. This item provides the complete list of LEAs and public charter schools called for a hearing and the Hearing Committee's proposed corrective action. If approved by the State Board, the proposed corrective action will be recommended to the Department for implementation, in accordance with State Board Policy 1.600. LEAs and public charter schools and their authorizer will receive written notice from State Board staff regarding the outcome of this decision, and the Department will provide written notice of its decision to implement the recommended corrective action to the State Board within 30 days.

This item supports the State Board's strategic focus on Engagement and Accountability outlined in the Master Plan through implementation of the State Board's Accountability Hearings, as directed in state law.
