      ii. The State Board shall execute charter agreements with its charter schools, pursuant to State Board Policy 6.400, that establish the performance standards under which schools shall be evaluated so that all stakeholders are aware from
the outset what a charter school must accomplish in order to meet performance 
expectations set forth in the charter agreement.

   iii. The State Board shall ensure that renewal decisions are based on demonstrable 
merit and grant renewal only to charter schools that have sufficiently met the 
State Board’s high standards, sufficiently achieved the targets stated in the 
charter agreement, are organizationally and fiscally viable, have been faithful to 
the terms of their charter agreement and applicable law, and present sound 
academic, financial, and organizational plans for the next charter term.

   iv. The State Board shall not make renewal decisions, including granting 
probationary or short-term renewals, on the basis of political or community 
pressure or solely on promises of future improvement.

   v. Ongoing monitoring, data collection, and reporting requirements shall be aligned 
with the State Board’s renewal standards and criteria.

d. Renewal Cumulative Performance Report

   i. Pursuant to T.C.A. § 49-13-121, the State Board shall develop a cumulative 
performance report for all charter schools where it serves as the authorizer 
whose agreement expires the following year.

   ii. The performance report shall summarize the charter school’s performance record 
to date over the charter term based on the data required by law, the State Board, 
and the charter agreement. The report shall include the State Board’s summative 
findings concerning the charter school’s performance against the State Board’s 
renewal standards and criteria. It shall describe the charter school’s prospects for 
renewal at the time of the report and include notice of any weaknesses or 
concerns perceived by the State Board concerning the charter school that may 
jeopardize its position in seeking renewal if not timely rectified.

e. Renewal Application Review Committee

   i. The State Board staff shall assemble a renewal application review committee 
(“Renewal Review Committee”) comprised of highly competent teams of internal 
and external evaluators with relevant and diverse educational, organizational 
governance and management, financial and legal expertise, as well as a 
thorough understanding of the essential principles of public school autonomy and 
accountability. The State Board shall provide training to the Renewal Review 
Committee members to ensure consistent standards and fair treatment of all 
renewal application reviews.

   ii. The Renewal Review Committee shall review the renewal record received directly 
by the State Board as the authorizer.
iii. The State Board shall ensure that the renewal review process, Renewal Review Committee members, and decision-making processes are free of conflicts of interest, in accordance with State Board Policy 6.600, and shall require full disclosure of any potential or perceived conflicts of interest between Renewal Review Committee members and applicable charter schools.

iv. The Renewal Review Committee members shall provide an evidence-based recommendation to the Executive Director of the State Board.

f. Renewal Application Evaluation.

i. The State Board shall conduct a renewal evaluation site visit to each charter school that submits a charter renewal application to the State Board as the authorizer. The site visit shall take place after the State Board receives a charter school’s renewal application and before any preliminary renewal recommendation is issued. The renewal site visit shall be used to evaluate the school’s academic program, organizational and fiscal soundness, and plans for the next charter term. The State Board shall interview the governing body of the charter school in accordance with Section 1(e) of this policy. This interview may take place in conjunction with the renewal evaluation site visit.

ii. The Executive Director of the State Board shall issue a preliminary renewal recommendation prior to the public hearing. The Executive Director shall consider the recommendation of the Renewal Review Committee and the renewal evaluation site visit in his or her preliminary renewal recommendation to the State Board.

iii. A public hearing shall be held in accordance with Section 1(f) of this policy, except that such hearing shall be held after receipt of the renewal application and no later than November 1 of the school year in which the charter expires. Further, the Executive Director or a State Board staff member (the “Hearing Officer”) shall preside at the hearing, and a State Board staff member shall summarize the State Board’s preliminary renewal recommendation. The governing body or its designated representative shall have twenty (20) minutes to address the preliminary renewal recommendation at the public hearing.

g. Final Recommendation and Decision of the State Board. Following the public hearing and the review of the renewal application as set forth in this policy, the Executive Director of the State Board shall provide a final recommendation to the State Board. The Executive Director shall consider the recommendation of the Renewal Review Committee, the site visit, and the public hearing in his or her final renewal recommendation to the State Board. The State Board shall consider the recommendation of the Executive Director when rendering a decision on the renewal, but the Board is not bound by the
recommendation. The State Board shall meet and render a decision on or before February 1 of the year following submission of the charter renewal application. If the State Board grants the renewal application, the school shall continue to operate for the prescribed period of ten (10) academic years (subject to the right of the State Board to revoke the charter agreement), and the State Board shall continue to be the authorizer. The State Board’s decision on a renewal application is final and may not be appealed.

3. **Renewal Charter Agreement.** For all charter schools where the State Board serves or will serve as the chartering authority, the State Board’s approval of a charter school’s renewal application is separate and distinct from the State Board’s approval of its renewal charter agreement and a school’s right to remain open. Once a renewal application is approved by the State Board, the State Board shall negotiate a renewal charter agreement with the school’s governing body that must be signed by both parties and submitted to the State Board for approval.
