

# Future of Higher Ed

# Since March 2020:

- Move coursework online
- Move processes online
- Adjust calendars
- Change provision of services
  - Student supports
  - Student activities
- Auxiliary
  - Housing
  - Dining

# Future of Higher Ed

## *TCA §49-7-202 (a)*

- **Why?** To ensure the lessons of COVID-19 are not lost.
- **Who?** Representatives from all public campuses.
- **Bottom line:** We should not be seeking to return to February 2020.

# Initial Observations

- Move toward more student-centric operations.
  - Purge dates
  - Paper processes
  - Student services
  - Student health
- **“Told we couldn’t do it, but we can!”**

# Initial Observations

- Online education
  - In-person, online, hybrid
    - What does this look like for labs, TCATs?
  - Faculty buy-in
- Data system(s)
  - Not the boogey man we often hear about

# Initial Observations

- Student activities
  - Concerts
  - Lectures
- Different space uses
  - Outdoor?
  - Lecture halls?
  - Implications for future design and/or maintenance?

# Next steps

- Finances?
- Support campuses to make these changes permanent.
- Re-convene group
  - Discuss plans for Spring 2021
