Provider Type

Public

The mission of the University of Tennessee-Knoxville is to promote a healthy, educated, and civil society; to encourage life-long learning; and to enhance the quality of life within the diverse, global community by preparing professionals to educate and lead for the changing landscape of 21st-century schools and classrooms. The UTK, as a professional school, promotes critical inquiry, reflection, and social action. The UTK values are reflected in our mission and our educator preparation goals. These goals are as follows: Promote excellence in teaching and mastery of professional competencies; Assure ethics, integrity, and professional attitudes and dispositions; Cultivate collaboration among multiple stakeholders to ensure well-rounded educational preparation from various viewpoints; Advance cultural relevance and responsiveness; Uphold effective use of educational technology. Our vision is to help create a world that values knowledge, education, and health as key contributors to improved quality of life for all.

Leaders in 3-Year Cohort: 59

Cohort Members per Year

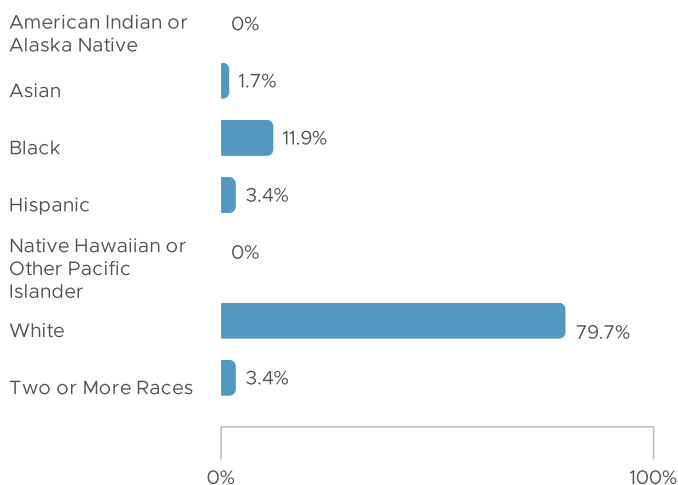

Year	Value
