## Provider Type

Private

Christian Brothers University is a Catholic university founded on the heritage of Lasallian education. While large enough to provide educational opportunities in the arts, business, education, engineering, and sciences, the University is small enough to promote teaching as ministry and to provide challenging student-centered learning and personal growth. Students of diverse cultures and religious traditions are encouraged to grow in their own faith. The University welcomes students into an educational community of faith and service, one that is committed to academic excellence, the betterment of society and the care of God's creation.
