Christian Brothers University is a Catholic university founded on the heritage of Lasallian education. While large enough to provide educational opportunities in the arts, business, education, engineering, and sciences, the University is small enough to promote teaching as ministry and to provide challenging student centered learning and personal growth. Students of diverse cultures and religious traditions are encouraged to grow in their own faith. The University welcomes students into an educational community of faith and service, one that is committed to academic excellence, the betterment of society and the care of God's creation.

The Christian Brothers University Leadership Program is founded upon a rich tradition of teaching and learning excellence. In our uniquely Catholic and Lasallian tradition, a transformational leadership candidate will be ethical and effective in their professional practice. An instructional leader facilitates continual improvements in Pre-K-12 student learning with the use of data-driven practices and maintaining highly effective educator resources. The CBU leadership graduate creates a compassionate and collaborative environment with stakeholders to initialize and sustain an inclusive, respectful and safe environment conducive to learning and growth for all. This program consists of 31 hours of graduate work that includes leadership research opportunities, internship, and capstone projects. This will develop the leadership candidate's evidence and demonstration of knowledge, skills, and dispositions. The principles of school leadership, management, supervision, teacher development, and student achievement. Including coursework by practitioners in the field of school leadership on all levels of management. Internship opportunities are given at various points throughout the program with diverse faculty, staff, and student populations within the program.
