<b>2015-16 DISTRICT ACCOUNTABILITY</b>
--

Due to the suspension of grade 3-8 testing for the 2015-16 school year and the lack of necessary data in these grades for implementing the district accountability model, no LEA or school shall receive an accountability designation for the 2015-16 school year.

The department of education shall publically provide all other reportable student achievement data for the 2015-16 school year, including graduation rate, average ACT scores, and high school scores in end-of-course subjects.
