**School Attendance Policy 4.100**

---

**The Background:**

The School Attendance Policy was approved by the board in January 2017 and serves as a comprehensive location for compulsory attendance requirements. This item presents, on final reading, a change to the attendance requirements for students serving as pages to the General Assembly. This change is a result of legislation passed during the 2017 Legislative Session. Since first reading, the policy was updated to include a previously omitted statute regarding attendance.

**The Fiscal Analysis Impact:**

T.C.A. § 49-1-212 requires that the Department prepare a fiscal analysis of any policy, rule, or regulation proposed to the State Board of Education. This item has no financial impact on an LEA.

**The Recommendation:**

The Department of Education recommends adoption of this item on final reading. The SBE staff concurs with this recommendation.
