

For School Year 2025/2026

Professional Development (PD)

Professional Development Requirement

One of the essential components for a school to be considered for the TN-PSSA is that a staff Point of Contact (POC) must complete professional development. This training should provide a strong foundation on the Military Interstate Children's Compact (MIC3) and is specifically designed to be a professional learning experience for educators.

Where to Find Training

The professional development can be completed through free online courses available at either of the following two links:

- ★ MIC3 Training Resources: <https://mic3.net/training-resources/>
- ★ MCEC Learning Hub: <https://mcec.talentlms.com/plus/external-catalog>

Key Details

- ★ Certificate of Completion is Required
 - You must ensure that the course you choose provides a certificate of completion.
- ★ Documentation: This certificate, along with other supporting evidence, must be included when you submit your application to the Military Family Education Liaison (MFEL) at tn.purplestar@gmail.com.
