If an EL student is not meeting the growth expectations identified in his or her ILP, the student shall receive differentiated support so that he or she may advance more rapidly toward English language proficiency. Supports shall be implemented promptly after the ILP Team has determined the student is not on the expected growth trajectory.

(6) EL students identified for ESL service via an English Language Proficiency screener described herein shall receive a minimum of one (1) hour of Direct ESL Service each school day from a teacher who holds an ESL endorsement, until the student achieves a sufficient score on a summative assessment pursuant to State Board rule 0520-01-19- .08.
