0520-07-02-.02 CATEGORY I: DEPARTMENT OF EDUCATION APPROVAL.

(1) Category I schools are schools approved individually by the Department of Education ("Department"). Special purpose schools that address a student's education while receiving short-term medical or transient care may also be approved as Category I special purpose schools.

(2) A school seeking approval as a Category I school shall submit an application for approval to the Department on a form developed by the Department and meet any deadlines for application established by the Department.

(Rule 0520-07-02-.06, continued)

(3) The criteria for approval as a Category I school shall include the following:

(a) Attendance.

1. Each school shall comply with the requirements of T.C.A. § 49-6-3007 regarding the reporting of the names, ages, and addresses of all pupils in attendance to the Director of Schools for the public school district in which the student resides.
- 4.2. Each school shall ensure students entering Kindergarten have reached five (5) years of age on or before August 15 pursuant to T.C.A. § 49-6-201(b)(3), unless the principal or head of school finds through evaluation and testing, at the request of the parent or legal guardian, that a child who is five (5) on or before September 30 is sufficiently mature emotionally and academically to enter Kindergarten and the school has a policy permitting testing by the principal or head of school to obtain early admission to Kindergarten.
3. Each school shall have at least ten (10) full-time school-age students enrolled each school year.

(b) Facilities, Health, and Safety.

1. Each school shall comply with all laws, rules and regulations, and codes of the city, county, and state regarding planning of new buildings, alterations and health and safety.
2. Each school shall observe all fire safety regulations and procedures promulgated by the Tennessee Fire Marshal's Office.
3. Each school shall conduct at least one (1) fire safety inspection annually based on the fire safety inspection checklist developed by the Tennessee Fire Marshal's Office, and maintain copies of the inspection reports, including findings of non-compliance and actions taken to comply for review by the Tennessee Fire Marshal's Office and the Department.
4. Each school shall construct, remodel, renovate, expand, or modify school buildings or other structures in accordance with any applicable state and/or federal requirements regarding building accessibility, which may include, but is not limited to, the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973.
5. Each principal or head of school shall comply with the requirements of Department of Health rules and-, subject to any applicable exemptions set forth in state law or Department of Health rules.
6. Each school shall conduct a criminal history records check prior to employment, for any person applying for or holding a position as a teacher or any other position requiring proximity to school children. Criminal history records checks shall also be required for any person or employee of the person, corporation, or other entity who contracts with a school and who will have direct contact with school children or access to the grounds of the school when children are present. The criminal history records check shall be fingerprint based or social security number based and shall also include a check of the Tennessee and National Sex Offender Registries and the Tennessee Department of Health Abuse Registry. Schools may also search the Tennessee educator licensure database (TNCompass) to determine if an applicant for a teaching position or any other position requiring proximity to school children has had a Tennessee educator license suspended or revoked for misconduct.

(c) Curriculum and Graduation.

(Rule 0520-07-02-.06, continued)

1. The instructional program shall include, but not be limited to, the areas of English language arts, mathematics, social studies, science, art, music, health and physical education, and world language.
2. Each school shall use textbooks and instructional materials that adequately cover all subjects in the school's instructional program.
3. Each high school shall adopt a graduation requirements policy requiring students to earn at least the minimum number of total credits required for graduation set by the State Board in Chapter 0520-01-03-.06. The school's policy shall also require students to achieve the required minimum number of credits set by the State Board in Chapter 0520-01-03-.06 in the subjects of English language arts, mathematics, science, and social studies. This provision shall not be construed as requiring the same courses in the subjects of English language arts, mathematics, science, and social studies that are required for public schools. The school shall determine the additional subject areas and credits necessary for graduation from high school as set forth in the school's graduation requirements policy to meet or exceed the minimum total number of credits set by the State Board in Chapter 0520-01-03-.06.
4. At least once every school year, each school shall give a nationally standardized achievement test covering the areas of English language arts and mathematics to each student in third (3rd) through twelfth (12th) grades; the results must be communicated to teachers and parents and kept as part of the student's permanent record.

(d) Teacher Licensure and Evaluation.

1. Each school shall ensure that all teachers and principals possess an active Tennessee educator license as provided in State Board Rules Chapter 0520-02-03.
2. Each school shall develop procedures for the annual evaluation of all teachers and principals in accordance with State Board Evaluations Rule 0520-02-01-.15.
3. Teaching experience shall count towards years of experience in the Department's Educator Data Management System.
4. Each school shall provide a sufficient number of appropriately qualified administrators, supervisors, and other personnel, which may include, but is not limited to, librarians, and school counselors, for the student body served.

(e) Administrative Rules.

1. Each school shall maintain an operating schedule that includes the minimum number of instructional days (180) and minimum number of hours per day (6 ½) required of public schools. In accordance with T.C.A. § 49-6-3004, a school that exceeds the required six and one-half (6 ½) hours of instructional time per day for the full academic year shall be credited with the additional instructional time in amounts up to, but not exceeding, thirteen (13) instructional days each school year. Schools that are unable to meet the required 180 instructional day requirement due to natural disaster or serious outbreak of illness affecting or endangering students or staff during the school year may request a waiver of the minimum instructional day requirement from the Commissioner.
2. Each school shall comply with all applicable state and federal laws prohibiting discrimination on the basis of disability, including but not limited to the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973.
3. Each school shall develop and implement a written policy on promotion and retention. The written policy shall be communicated to students and parents via the school handbook.

(Rule 0520-07-02-.06, continued)

4. Each school shall ensure that class sizes do not exceed the class size maximums for public schools set forth in state law.
5. Each school shall maintain complete and accurate permanent records of the following for all students; -attendance, disciplinary matters, work completed while enrolled at the school-, and promotion or retention determinations.
6. Each school shall provide periodic reports of student needs and academic progress to parents or legal guardians during each school year.
2. ~~Category I schools~~ 7. Any school seeking approval of a pre-K program shall satisfy the standards for infant/toddler, preschool, and school-age extended care programs outlined in State Board Rules Chapter 0520-12-01.

2. T.C.A. § 49-3-370 and State Board of Education Rules Chapter 0520-01-20 regarding students admitted to licensed residential mental health treatment facilities; and/or
3. T.C.A. § 49-3-308 and State Board of Education Rules Chapter 0520-01-15 regarding students admitted to court-ordered day treatment facilities.

(a)

(b) Category I Special Purpose schools shall be deemed appropriate placement sites for educator candidates seeking specialized clinical placements.

(5) Monitoring and Revocation.

(a) Category 4I and Category 4I—Special Purpose schools shall report all required data annually to the Department as required by -State Board Rule 0520-07-01-.04 and in any Department-provided procedures.

(b) The Department shall notify a school of non-compliance with this rule, State Board Rules Chapter 0520-07-01, and any applicable state or federal laws and establish a deadline by which the school shall show evidence of compliance. If the school does not come into compliance by the specified deadline, the Department may revoke approval of the school after providing notice of revocation to the school. Revocation of approval shall take effect at the end of the school year in which the non-compliance was reported to the school, or on another date identified by the Department.

1. A school may appeal the revocation decision. Appeals must be submitted to the Department within fourteen (14) calendar days of the Department electronically sending the notice of revocation that is being appealed. The day that the Department sends the notice of revocation shall not count as part of the fourteen (14) calendar days. The Commissioner or Commissioner's Designee shall make a determination and issue an electronic notification to the appealing party within forty-five (45) calendar days of receiving the appeal.—

(1)—A school seeking Category I status may receive State approval by direct application to the Department of Education. The criteria and procedures used in the evaluation of such schools

0520-07-02-.03 CATEGORY II: AGENCY ACCREDITATION.

- (1) Category II schools are approved by an agency whose ability to accredit schools in Tennessee is approved by the State Board. The Department shall review and recommend to the State Board for approval a list of private school accrediting agencies. Agencies approved by the State Board to accredit Category II schools shall be listed in State Board Policy 3.500. Agencies seeking approval by the State Board shall submit an application to the Department and meet all requirements set forth in this rule to be recommended for approval.

(Rule 0520-07-02-.06, continued)

- (a) Home schools that may affiliate with an approved agency are not approvable under this category.
- (2) Procedures for Application as an Approved Private School Accrediting Agency.

 - (a) An agency seeking approval shall submit an application for approval as a Category II private school accrediting agency to the Department on a form developed by the Department and meet any deadlines for application established by the Department.
 - (b) The Department shall review the completed application of the agency with respect to the criteria for approval set forth in this rule and recommend to the State Board that the application be approved or denied. The applicant agency may address the State Board at the time its application is being considered by the Board by providing notice to the Board of its request to speak in accordance with State Board Policy 1.400.
- (3) Approval, Probationary Approval, and Revocation -of Approval.

 - (a) -A Category II accrediting agency is approved for a period of five (5) years, unless the agency is subsequently placed on probationary approval as set forth in this rule during the five (5) year approval period. Approved agencies shall re-apply for approval at the expiration of the five (5) year approval period. Applications will not be considered mid-cycle.
 - (b) The Department shall notify an agency of non-compliance with this rule or the non-compliance of any of its accredited schools located in Tennessee with this rule, State Board Rules Chapter 0520-07-01, and any applicable state or federal laws and establish a deadline by which the agency shall show evidence of compliance. If the agency does not come into compliance by the specified deadline, the Department may provide notice to the agency of intent to recommend to the State Board that the agency be placed on probationary approval status.
 - (c) If the Department recommends to the State Board that the agency be placed on probationary approval, the Department shall provide to the State Board:

 - 1. Information regarding the non-compliance;
 - 2. Reasons supporting the recommendation to place the agency on probationary approval; and
 - 3. All notices provided to the agency regarding non-compliance and responses of the agency.
 - (d) Representatives of the agency may request to speak at the State Board meeting at which the recommendation for probationary approval is under consideration pursuant to State Board Policy 1.400.
 - (e) If the State Board votes to place the agency on probationary approval status, the agency shall submit a corrective action plan to the Department. If the agency successfully completes the terms of the corrective action plan, the Department shall bring a recommendation to the State Board that the agency be removed from probationary approval status and granted full approval. Any agency that is restored to full approval after being placed on probationary approval status will still be required to re-apply for full approval at the expiration of its initial five (5) year approval period. If the agency does not successfully complete the terms of the corrective action plan, the Department shall bring a recommendation that the State Board revoke the agency's approval.
 - (f) If the Department recommends to the State Board that the agency's approval be revoked

(Rule 0520-07-02-.06, continued)

due to failure to successfully complete the corrective action plan, the Department shall provide to the State Board:

1. Information regarding the non-compliance;
2. Reasons supporting the recommendation to revoke the agency's approval; and
3. All notices provided to the agency regarding non-compliance and responses of the agency.

(g) The agency may address the State Board at the meeting where the revocation recommendation is being considered by the Board by providing notice to the Board of its request to speak in accordance with State Board Policy 1.400.

(h) If the State Board votes to revoke approval of the agency, the agency's approval shall expire at the end of the school year during which the vote takes place, or on another date specified by the State Board.
