
Board Meetings Policy 1.400

The Background:

Tennessee Code Annotated specifies the composition and structure of the State Board of Education and gives authority to the Board to create its own meeting policy. The policy has not had a substantial revision in a decade. In response to member concerns and in concert with the Chair, State Board staff made these proposed changes to bring clarity to the policy and to modernize operational practice.

The Recommendation:

The SBE staff recommends approval of this item on final reading.
