

Homeless Students Procedures

State Board LEA Policy 6503 – Homeless Students lays out the broad requirements and expectations for serving homeless students to ensure that these students have equal access to the same free, appropriate public education as provided to other children and youth. This document provides the standard operating procedures for compliance with the McKinney-Vento Act for State Board authorized charter schools. These procedures cover:

- [Homeless Coordinator](#)
- [Identification](#)
- [Enrollment](#)
- [Records](#)
- [Transportation](#)
- [Services and Title I Homeless Set Aside Funds](#)
- [Placement](#)
- [Dispute Resolution Process](#)
- [Forms and Appendices](#)

Homeless Coordinator

Each charter school shall name a homeless coordinator who will be the main contact for families and students in the school as well as for the State Board’s homeless liaison. The school’s coordinator shall communicate on at least a monthly basis, but as frequently as necessary, with the State Board’s homeless liaison with regard to services for homeless students. The school’s homeless coordinator shall also be responsible for completing the relevant sections of the school’s annual Sub-recipient Monitoring Self-Assessment. More information about the Sub-recipient Monitoring Self-Assessment can be found in the State Board’s Sub-recipient Monitoring Guidebook.

By July 31st of every year, the charter school shall notify the State Board’s homeless liaison of the school’s homeless coordinator using the [form](#) contained within these procedures. The homeless coordinator shall be familiar with the McKinney-Vento Act as well the requirements to serve homeless students. Resources that are helpful to review include, but are not limited to:

- [McKinney-Vento Statute](#)
- [McKinney-Vento Non-Regulatory Guidance](#)
- [Students in Transition Program Guide](#)
- [McKinney-Vento Law in Practice: Serving Homeless Children and Youth in Charter Schools](#)
- [The Most Frequently Asked Questions on the Education Rights of Children and Youth in Homeless Situations](#)
- [McKinney-Vento Parent Poster \(English\)](#)

- [McKinney-Vento Parent Poster \(Spanish\)](#)

Identification

- **New Student Enrollment**: Each school's homeless coordinator is responsible for ensuring that homeless students are quickly identified. Therefore, upon enrollment, all parents/guardians shall complete the [Student Residency Questionnaire](#) in order to identify homeless students and ensure these students have access to education and support services. If a parent/guardian indicates on the questionnaire that the family lives in a residence that is not permanent, fixed, or adequate, the school's homeless coordinator should immediately initiate the [McKinney-Vento checklist](#) included in these procedures, which includes giving the parent/guardian or unaccompanied youth the [Notification of Rights](#) form.
- **Mid-Year Change of Status**: The school must conduct ongoing awareness and outreach strategies during the school year to identify students who may be homeless or become homeless during the school year. These activities include placement of posters in the school setting, offering training to parents/guardians, and outreach to local shelters or community service organizations. If a school is notified that a student has become homeless during the academic year, the homeless coordinator should work with the parent/guardian to complete the required residency questionnaire and initiate the McKinney-Vento checklist included in these procedures.

A completed copy of the checklist and accompanying documents shall be placed in the student's cumulative file by the school's homeless coordinator. The homeless coordinator shall notify the State Board homeless liaison within two (2) business days of a student being identified as homeless.

Additionally, each school's homeless coordinator shall ensure that informational posters for parents/guardians and youth are posted in well-trafficked areas of the school in a language that parents/guardians can understand. Questions throughout the process should be directed to the State Board's homeless liaison.

Enrollment

A charter school shall immediately enroll a homeless student if the charter school has capacity based on the approved charter agreement, even if the student is unable to produce records normally required for enrollment (i.e., academic records, immunization records, health records, proof of residency), or missed the charter school's application or enrollment deadlines.

Records

The charter school's homeless coordinator shall ensure that each student who is identified as homeless is coded accurately in the State Board's student information system. The State Board will run reports on the students identified as homeless in EIS on a regular basis and cross reference with the data reported to the State Board homeless liaison by each charter school.

The charter school homeless coordinator shall maintain a list of the homeless students who enrolled in the charter school without immunization or proof of immunization and the length of time required for these students to be immunized or to obtain immunization records. An annual report with this data is due to the State Board by May 15th.

Transportation¹

The school is responsible for developing a policy to provide transportation services to homeless students, at the request of the parent/guardian. The school policy shall include a description of transportation options that are available. If requested, transportation must be arranged promptly to ensure immediate enrollment and to ensure barriers are not created for homeless students' attendance, retention, and success. The excess costs of transportation to the school of origin (costs above what the school would have otherwise provided to transport the student) may be paid for using Title I, Part A funds reserved to defray the excess costs of transportation of homeless students to and from their school of origin or from McKinney-Vento subgrant funds (a system of providing gas vouchers, cards, or reimbursements can be utilized and funded through the Title I, Part A homeless set-aside funds). The cost of transportation will be the responsibility of the school or shared equally with another LEA, if the school and LEA mutually agree.

Services and Title I Homeless Set Aside Funds

The charter school's homeless coordinator shall ensure that each homeless student is provided services comparable to those offered to other students within the school, including transportation, special education services, programs in career and technical education, programs for gifted and talented students, and school nutrition. These services include, but are not limited to, obtaining or providing:²

- Items of clothing, particularly if necessary to meet a school's dress or uniform requirement;
- Clothing and shoes necessary to participate in physical education classes;
- Student fees that are necessary to participate in the general education program;
- Personal school supplies such as backpacks and notebooks;
- Birth certificate necessary for the student to enroll in school;
- Immunizations;
- Food and access to free meals;
- Medical and dental services;
- Eyeglasses and hearing aids;
- Counseling services to address anxiety related to homelessness that is impeding learning;

- Outreach services to students living in shelters, motels, and other temporary residences;
- Extended learning time (before and after school, Saturday classes, summer school) to compensate for lack of quiet time for homework in shelters or other overcrowded living conditions;
- Tutoring services, especially in shelters or other locations where homeless students live;
- Parental involvement activities specifically oriented to reaching out to parents/guardians of homeless students;
- Fees for AP and IB testing; and/or
- Fees for SAT/ACT testing.

Annually, as a part of the district plan and budgeting process, the district is required to set aside Title I funds on the district level to serve homeless students if all other school and community resources are exhausted. Each year, authorized charter schools must complete the Annual Needs Assessment for Homeless Students form included in these procedures and submit it via the State Board’s reporting calendar. A charter school must demonstrate that it has exhausted all school and community resources before requesting to use the reserved funds to serve homeless students. Incremental transportation costs for homeless students (costs above what the school would have otherwise provided to transport the student) may be reimbursable through the district set-asides.³

Placement

The charter school’s homeless coordinator shall work with the school leader or designee on the placement process. At all times, a strong presumption that keeping the student in the school of origin⁴ is in the student’s best interest shall be maintained, unless doing so would be contrary to a request made by the student’s parent/guardian or the student in the case of an unaccompanied youth. When determining placement, student-centered factors, including but not limited to impact of mobility on achievement, education, health, and safety shall be considered. The [Checklist for Decision Making](#) shall be completed to assist in the best interest determination. The charter school’s homeless coordinator shall immediately notify the State Board’s homeless liaison regarding a placement decision.

If the charter school determines that it is not in the student’s best interest to attend the school of origin or the school requested by the parent/guardian or unaccompanied youth, the school leader or designee

³ U.S. Department of Education, “Education for Homeless Children and Youths Program Non- Regulatory Guidance,” July 27, 2016, p. 28, <https://www2.ed.gov/policy/elsec/leg/essa/160240ehcyguidance072716.pdf>

⁴ Per State Board LEA Policy 6503, school of origin shall mean the school that a child or youth attended when last permanently housed or the school in which the child or youth was last enrolled, including a preschool/pre-k program. Therefore, in the case of the State Board’s authorized charter school, the school of origin shall mean: (1) The authorized charter school, if it was the school that a child or youth attended when last permanently housed; or (2) A child or youth’s local attendance zone school in which the student was last enrolled, including a preschool/pre-k program, if the student has submitted an application for enrollment into a charter school. School of origin shall also include the designated receiving school at the next grade level when the student completes the final grade level served by the school of origin.

shall provide a [written explanation](#) of the reasons for the determination, in a manner and form that is understandable to the parent/guardian and unaccompanied youth. The written explanation shall include:⁵

- A statement regarding the right to appeal the placement decision to the State Board’s homeless liaison and the dispute resolution process provided in these procedures;
- Notice that if the parent/guardian or unaccompanied youth are English learners, use a native language other than English, or need additional supports because of a disability, translators, interpreters, or other support services related to their disability will be made available without charge;
- Notice of the right to be immediately enrolled in the school in which enrollment is sought pending final resolution of the dispute, which includes receiving adequate transportation to and from the school of origin and the ability to participate in all school activities;
- List of legal and advocacy service providers in the area that can provide assistance during any part of the appeal process; and
- Contact information for the school liaison, district liaison, and state coordinator.

A copy of the written explanation shall be sent to the State Board’s homeless liaison within 48 business hours of the placement decision.

Dispute Resolution Process

The McKinney-Vento Act requires that each local education agency (LEA) has a dispute resolution process in place. State Board LEA Policy 6503 – Homeless Students states that if a placement decision is appealed, the authorized charter school shall refer the parent/guardian or unaccompanied student to the State Board’s homeless liaison to begin the dispute resolution process. Upon notice of an appeal, the school shall immediately enroll the student in the school in which enrollment was sought pending a final resolution of the dispute including all available appeals. The dispute resolution process is as follows:

Dispute Resolution Process Level 1: State Board’s Homeless Liaison

If a parent/guardian or unaccompanied youth wishes to appeal a charter school’s decision related to eligibility, enrollment, or school selection, the case should be appealed to the State Board’s homeless liaison or the charter school where the dispute is taking place.

1. The request for dispute resolution shall be filed by:
 - a. Submitting the [written appeal form](#) that initiates the dispute resolution process to either the State Board’s homeless liaison or the charter school’s homeless coordinator, who sends the form to the State Board’s homeless liaison.
 - i. If the form is submitted to the charter school’s homeless coordinator, the school shall immediately forward the request to the State Board’s homeless liaison.

⁵ TN Department of Education, “Students in Transition Program Guide,” March 2018, p. 8, https://www.tn.gov/content/dam/tn/education/cpm/title/rpt_Students_in_Transition_Guide.pdf

- b. The request for dispute resolution must be submitted within five (5) business days of receiving the written notification of the determination;
 - c. In the event that the State Board's homeless liaison is unavailable, a State Board designee may receive the request to initiate the dispute resolution process.
2. The State Board's homeless liaison shall log their receipt of the complaint, including the date and time, with a written description of the situation and the reason for the dispute, and a copy of the complaint must be forwarded to the liaison's immediate supervisor and the State Board's Director of Schools.
3. The State Board's homeless liaison shall review the record of the complaint and, if possible, interview the parent/guardian either in-person or via telephone.
4. Within five (5) business days of their receipt of the complaint, the liaison must make a decision on the complaint and inform the parent/guardian or unaccompanied youth in writing of the result. It is the responsibility of the State Board to verify the parent's/guardian's or unaccompanied youth's receipt of the written notification regarding the homeless liaison's Level 1 decision.
5. If the parent/guardian or unaccompanied youth disagrees with the decision made and wishes to move the dispute resolution process forward to Level 2, the parent/guardian or unaccompanied youth shall notify the State Board's homeless liaison of their intent to proceed to Level 2 within five (5) business days of receipt of notification of the Level 1 decision.
6. If the parent/guardian or unaccompanied youth wishes to appeal the liaison's Level 1 decision, the State Board's homeless liaison shall provide the parent/guardian or unaccompanied youth with an appeals package containing:
 - a. A copy of the parent's/guardian's or unaccompanied youth's complaint which was filed with the district's homeless liaison at Level 1;
 - b. The decision rendered at Level 1 by the school district's liaison; and
 - c. Any additional information from the parent/guardian, unaccompanied youth, and/or homeless liaison.

Dispute Resolution Process Level 2: State Board's Director of Schools

If after Level 1 of the Dispute Resolution Process the dispute remains unresolved, the parent/guardian or unaccompanied youth may appeal the State Board's homeless liaison's Level 1 decision to the State Board's Director of Schools through the following process.

1. If a parent/guardian disagrees with the decision rendered by the State Board's homeless liaison at Level 1, the parent/guardian or unaccompanied youth may appeal the decision to the State Board's Director of Schools or the Director of Schools' designee using the appeals package provided at Level 1. The designee shall be someone other than the State Board's homeless liaison.
2. Within five (5) business days of receiving the notification of intent to proceed to Level 2 of the dispute resolution process, the Director of Schools, or the Director of Schools' designee, will schedule a personal conference with the parent/guardian or unaccompanied youth. It is preferable, but not required, for the conference to be in person if the schedules of the Director of Schools and the parent/guardian or unaccompanied youth allow. If an in-person conference is

not possible due to time and schedule constraints, a telephone conference may be used. Once scheduled, the meeting between the Director of Schools or the Director of Schools' designee and the parent/guardian or unaccompanied youth is to take place as expeditiously as possible.

3. The Director of Schools or the Director of Schools' designee will provide a decision in writing to the parent/guardian or unaccompanied youth with supporting evidence and reasons. It is the responsibility of the State Board to verify the parent's/guardian's or unaccompanied youth's receipt of the written notification regarding the Director of Schools' Level 2 decision.
4. A copy of the appeals package, along with the written decision made at Level 2, is to be shared with the State Board's homeless liaison.
5. If the parent/guardian or unaccompanied youth disagrees with the decision made at Level 2 and wishes to move the dispute resolution process forward to Level 3, the parent/guardian or the unaccompanied youth shall notify the State Board's homeless liaison of intent to proceed to Level 3 within five (5) business days of receipt of the notification of Level 2 decision.

Dispute Resolution Process Level 3: McKinney-Vento State Coordinator

If after Level 2 of the Dispute Resolution Process the dispute remains unresolved, the parent/guardian or unaccompanied youth may appeal the State Board's Director of Schools' Level 2 decision to the McKinney-Vento state coordinator through the following process.

1. If the State Board's homeless liaison is notified by the parent/guardian or unaccompanied youth of the intent to appeal the Level 2 decision, the State Board's Director of Schools or designee shall forward all written documentation and related paperwork to the McKinney-Vento state coordinator for review within five (5) business days of receiving the notification from the parent/guardian or unaccompanied youth.
 - a. It is the responsibility of the State Board to ensure that the documentation that is submitted is complete and ready for review at the time it is submitted to the state coordinator.
2. The McKinney-Vento state coordinator shall make a final decision within seven (7) business days of receipt of the complaint.
3. The final decision will be forwarded to the State Board's homeless liaison for distribution to the parent/guardian and the State Board's Director of Schools.

Dispute Resolution Process Level 4: Assistant Director of Federal Programs and Oversight

If after Level 3 of the Dispute Resolution Process the dispute remains unresolved, the parent/guardian, unaccompanied youth, or the State Board may appeal the McKinney-Vento state coordinator's decision to the assistant director of Federal Programs and Oversight (FPO) at the Tennessee Department of Education through the following process.

1. The State Board, parent/guardian, or unaccompanied youth shall forward a written request to have their case reviewed when there is a conflict with the decision rendered by the McKinney-

Vento state coordinator within five (5) business days of receipt of the decision rendered at Level 3 to the assistant director of FPO.

2. The assistant director of FPO shall then forward a request to the McKinney-Vento state coordinator to obtain all written documentation and related paperwork for review.
3. Upon request of the assistant director of FPO, the McKinney-Vento state coordinator shall forward all written documentation and related paperwork to the assistant director of FPO for review within three (3) business days of the request for documentation regarding the dispute.
4. The assistant director of FPO, along with the appropriate other department personnel, will make a final decision within seven (7) business days of receipt of all documentation and related paperwork.
5. The final decision will be forwarded to the State Board's Director of Schools and homeless liaison for distribution to the parent/guardian or unaccompanied youth.

The State Board shall maintain a record of all disputes related to the education of homeless children and youths. These records shall include disputes resolved at levels 1, 2, 3, and/or 4 and shall be made available upon request by the Tennessee Department of Education.

School Level Homeless Coordinator Information (Required)

The McKinney-Vento Act (Title IX, Part A of the Every Student Succeeds Act) requires that every school district provide education and related services for students experiencing homelessness. In order to ensure the State Board and its authorized charter schools remain in compliance with the law while providing an education of the highest quality to homeless students, a point of contact (“homeless coordinator”) is needed in every building. This person will work with the State Board homeless liaison to ensure students are identified and given appropriate opportunities to attend and succeed in school. To assist with these tasks, the State Board homeless liaison will provide support for the school level homeless coordinator.

Please identify the most appropriate building level point of contact to serve as the charter school’s homeless coordinator and provide his or her information below.

- School Name:
- Contact Name:
- Direct Phone Extension:
- Email:

If you need assistance determining the most appropriate person for this role in your building, please contact the State Board’s homeless liaison for assistance. **This form is due to the State Board’s homeless liaison by July 31st of each year via the State Board’s reporting calendar.**

The State Board’s homeless liaison is:

- Name: Kelly Kroneman
- Title: Coordinator of Special Populations and Operations
- Direct Phone Number: (615) 770-6908

Annual Needs Assessment for Homeless Students

Annually, the State Board will budget in the Consolidated Funding Application for a homeless set aside of the district Title IA funds to help pay for services for homeless students. A charter school must demonstrate that it has exhausted all school and community resources before requesting to use the reserved funds to serve homeless students. Incremental transportation costs for homeless students (costs above what the school would have otherwise provided to transport the student) may be reimbursable through the district set-asides.

In order to plan and budget appropriately for the upcoming school year, each school shall complete this annual needs assessment for homeless students and turn it into the State Board via the reporting calendar by February 28.

- Estimated Number of Homeless Students for Upcoming School Year: _____
- Rationale for estimate number (including an explanation if it is different from what is in EIS/SIS):

The State Board and each authorized charter school are required to provide services that support homeless students to succeed in school and to meet academic achievement standards. Title I funds cannot supplant other state or local funds. Therefore, if a school used school or community resources to provide a service, the school cannot request reimbursement of funds for the service.

Needs Assessment for Services⁶

Please mark with an “X” how the school plans to provide the below services to homeless students, if necessary. This document should be utilized as a part of the school’s planning process for the upcoming school year, and will help the State Board in the district planning and budgeting process. The school may use multiple resources for a service. If the school plans to use the district set-aside funds for the service, the school must provide an explanation why school or community resources are not available. The submission of this assessment does not constitute approval of the use of funds by the school.

Unaccompanied Youth Eligibility Flowchart

(guidance)

The following is a flowchart intended to serve as a general guide for determining the status of unaccompanied youth. Please note that all McKinney-Vento determinations should be made on a case-by-case basis, weighing the individual circumstances of each student. To be eligible for McKinney-Vento services as an unaccompanied homeless student, the student must meet the criteria of both homeless and unaccompanied. If a student is identified as unaccompanied, the school shall institute practices to support the unique needs of unaccompanied youth experiencing homelessness.

Guiding Questions		
Is the student residing with someone who is not a parent or court-appointed legal guardian? Why is this student with this person?		
Determinations		
Homeless: Should be enrolled as an unaccompanied youth under McKinney-Vento	Need more information	Not Homeless: Should not be enrolled as an unaccompanied youth under McKinney-Vento
Family was evicted; cannot find housing all together; parent/guardian placed student temporarily with a friend or relative		Parent/guardian transferred for work; plan for student care and support in place so student can stay to finish school
Student left home due to danger or extreme conflict; student was put out of home by parent/guardian for a similar reason		Student moved in with a friend, relative, or coach to play sports, be in the band, attend a magnet school, etc.
The family was homeless prior to the parent's/guardian's incarceration or the caregiver arrangement is not fixed, regular, or adequate	Parent/guardian is incarcerated and a relative or friend agreed to care for the student	Student did not change residencies, caregiver moved in; parent/guardian made arrangements for the student prior to incarceration
The family lost housing; the parent/guardian placed the student temporarily with a friend or relative	Parent/guardian enrolled the student and then left the area	Parent's/guardian's work schedule was problematic, so that student stays with relatives for school

Caregiver Form (template)

This form is intended to address the McKinney-Vento Act (Title IX, Part A of the Every Student Succeeds Act) requirement that homeless children have access to education and other services for which they are eligible. TRANSPORTATION MEMORANDUM OF UNDERSTANDING

Dear Parent/Guardian/Student,

Your child(ren) or you, as an unaccompanied homeless youth, are currently eligible for the McKinney-Vento program. Per the McKinney-Vento Act, transportation will be provided to your child(ren) or you, as an unaccompanied youth, to and from school.

Communication of Absences

If a student is going to be absent from school and therefore does not need transportation for part or all of a day, parents or guardians must call and inform the designated driver no later than [X] a.m. on the day of the absence so the driver can adjust the route accordingly.

Homeless Set-Aside Reimbursement Form
(required)

Authorized charter schools must use this form to request reimbursement of expenses that qualify for the district's homeless set-aside. Forms must be submitted to Stateboard.Schools@tn.gov on the 15th of the month.

Annually as a part of the district plan and budgeting process, the District is required to set-aside Title I funds on the district-level to serve homeless students if all other school and community resources are exhausted. A charter school must demonstrate that it has exhausted all school and community resources before requesting to use the reserved funds to serve homeless students. Incremental transportation costs for homeless students (costs above what the school would have otherwise provided to transport the student) may be reimbursable through the district set-aside. For additional information on reimbursable expenses and the homeless set-aside, please see State Board Homeless Students Procedures.

Reimbursements may only be requested for expenses that have already been paid by the school. Only those expenses deemed by the District to qualify for reimbursement will be approved.
