

2022 NHL Draft

TN Sports Wagering Advisory Council Guidelines

The 2022 NHL Draft begins on Thursday, July 7, 2022. Licensees are permitted to offer Wagers on the NHL draft as follows:

- **Pre-Draft Wagers** - Pre-draft Wagers are permitted. All pre-draft Wagers must be made and accepted prior to the first selection of the Draft.
- **In-Draft Wagers** (i.e., wagers placed after a round has started regarding specific in-round selections)
 1. In-draft Wagers are only permitted in Rounds 1 through 3.
 2. In-draft Wagers must be placed and accepted at least 2 selections prior to the actual selection event as these selection events occur on the NHL Network broadcast. For example, a wager on “pick # 17 will be a RW” would need to take place prior to selection # 15.
- **Round specific Wagers** - Wagers related to each round must be offered and accepted prior to the start of that specific round, including any trades that occur for that round. For example, a Wager such as, “Will Player X be drafted in Round 2?” or “X number of goalies drafted in Round 2.” These wagers must be placed prior to the start of Round 2.

Licensees taking Wagers on the NHL Draft shall have clear and concise rules. Please review and amend your rules as necessary to cover the unique guidelines stated above.
