Professional league drafts are approved for the MLB, NBA, NHL, NFL, and WNBA. The following types of wagers are permitted:

- Pre-draft wagers – All pre-draft wagers must be made and accepted prior to the first selection of the draft.
- In-draft wagers (i.e., wagers placed after a round has started regarding specific in-round selections) may be offered up to two (2) selections prior to the actual occurrence on the draft broadcast. For example, "Pick #15 of the draft to by player X" would need to be placed prior to the announcement of "Pick #13".
- Round-specific wagers (i.e., wagers related to activity in a specific round) must be offered and accepted prior to the start of that specific round, including any trades that occur for that round. For example, a Wager such as, "Will Player X be drafted in Round 2?" or "X number of defensive backs drafted in Round 2." These wagers must be placed prior to the start of Round 2.

Awards for regular and postseason play for the following professional sports leagues are permitted: NFL, NBA, WNBA, MLB, NHL, MLS, PLL, and ACL. Examples of sports league awards include the NBA Regular Season MVP, NFL Super Bowl MVP, the NBA Defensive Player of the Year, and the NHL Vezina Trophy.

- For seasonal awards, wagering must cease prior to the end of the regular season.
- For single-game postseason awards (i.e., Super Bowl MVP), wagering must cease prior to the start of the game. For postseason series awards, wagering must cease prior to the start of Game 1 of the series (i.e., Game 1 of the NBA Finals, Stanley Cup Finals, World Series, etc.)
