

SWC Rule 1350-01-.12(3)(d)

Responsible Gaming Plan Annual Report

Information submitted to the Sports Wagering Council by licensees in accordance with SWC Rule 1350-01-.12(3)(d) is confidential under Tenn. Code Ann. § 4-49-110 and SWC Rule 1350-01-.01(3).

Please answer the following questions based on the past year of operations.

1. Did the licensee have a responsible gaming (RG) plan in place?
2. How many employees took RG training? Please provide a total by month.
3. How many active accounts registered to Tennessee addresses did the licensee have during this time period? Please provide a total by month.
4. How many accounts registered to Tennessee addresses made wagers with the licensee in Tennessee during this time period? Please provide a total by month.
5. How many accounts (registered to all addresses within or outside of Tennessee) made wagers with the licensee in Tennessee during this time period? Please provide a total by month.
6. What was the most frequent wager amount made in Tennessee on your platform during this time period?
7. How many accounts registered to Tennessee addresses used a deposit limit? Please provide a total of account holders by month and express these as a percentage of active accounts in Tennessee. Please break the monthly data out by dollar amounts of the limit.
8. How many accounts registered to Tennessee addresses used a wager limit? Please provide a total of account holders by month and express these as a percentage of active accounts in Tennessee.
9. How many accounts registered to Tennessee addresses used a time limit? Please provide a total of account holders by month and express these as a percentage of active accounts in Tennessee.
10. How many accounts registered to Tennessee addresses used a spend limit? Please provide a total of account holders by month and express these as a percentage of active accounts in Tennessee.
11. How many accounts registered to Tennessee addresses used an account cool-off mechanism? Please provide a total of account holders by month and express these as a percentage of active accounts in Tennessee.
