Do Your Own Review

At this point in time, all agencies should be using CrimeInsight to review their data. If you do not have access to CrimeInsight, the application is available at <https://crimeinsight.tbi.tn.gov/> under *Links* as *Crime Online password application form (PDF)*. Once completed and processed, you will receive an e-mail that you may now access CrimeInsight. Remember to keep a copy of your application because you chose your password.

There are reports in place or you can build your own “customized” report(s). This may not eliminate your auditor calling or emailing with a question, but you will be ahead of the process and be able to respond much more quickly. All of you could have fewer audit findings using CrimeInsight by correcting issues such as unknown Personal Identifiers.
