# TDOT AERONAUTICS ENGINEERING UPDATE

---

Hello Aviation Community,

This edition of the Engineering Update highlights:

- ❖ STAFF CHANGES
- ❖ GRANT BEGIN DATES
- ❖ HISTORICAL BID TABULATIONS
- ❖ REMAINING FUNDING REQUEST OPPORTUNITIES IN 2019
- ❖ ANNUAL MEETINGS

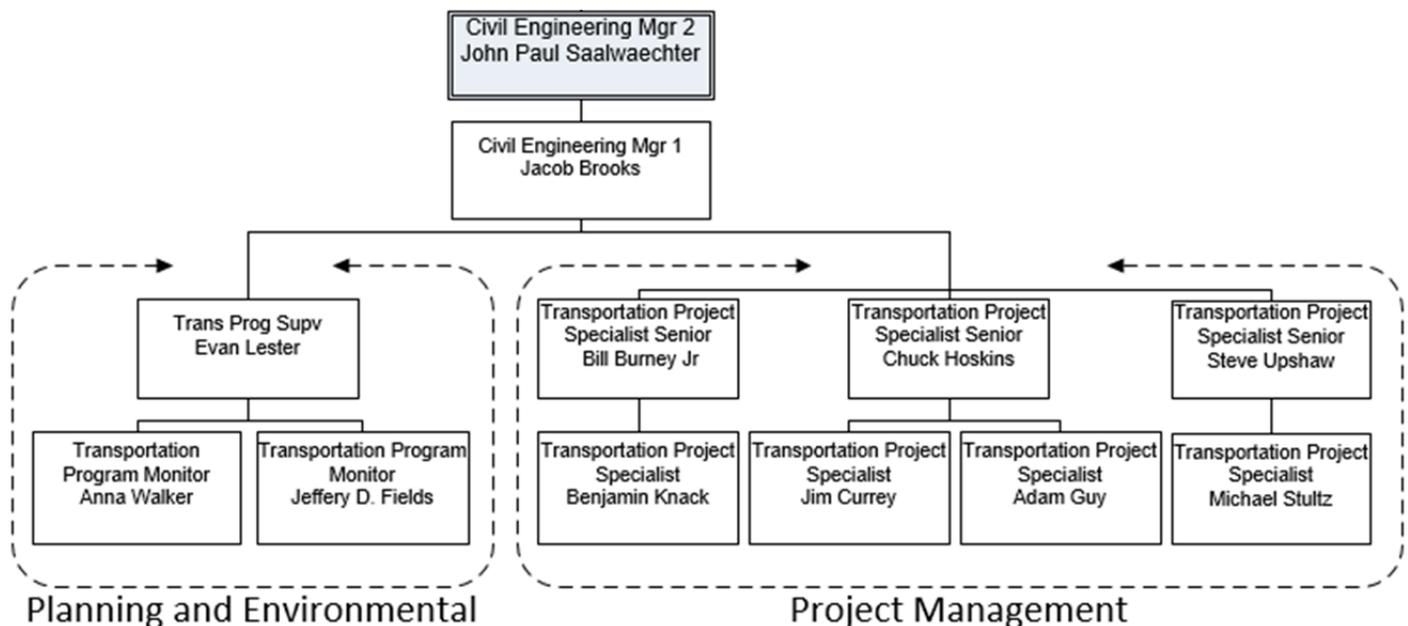

---

## STAFF CHANGES

---

- **Jordan Gunn**, a former Planner, left Aeronautics to pursue a career as an aircraft dispatcher.
- **Anna Walker** (formerly Anna Bobrowski), a Transportation Program Monitor 2 in Planning & Environmental Section has new contact information.
- **Jacob Brooks** has joined the team as the Assistant Engineering Manager (CE Manager 1).
- **Evan Lester** was promoted to the Transportation Program Supervisor of the Planning & Environmental Section.
- **Jeff Fields** joined the team as a Transportation Program Monitor 1 in Planning & Environmental Section.

The [contact info](#) for all staff is provided on our [Staff Webpage](#). The current Organizational Chart for Engineering is shown below.

---

## GRANT BEGIN DATES

---

The *Begin Date* for contracts will vary depending on whether Federal Funding is involved. At this time, the Aeronautics Division is unable to back-date a grant unless Federal Funding is included. Begin dates are assigned using these principles:

July 19, 2019

- **Federal Funding** used: Begin Date will be the day of PSR/TAC approval. *Note: Further back-dating (within the same State Fiscal Year) can occur with Aeronautics/TAC approval. Contact your Project Manager for more information.*
- **State and Local** only (non-Federal aid): Begin Date is 30 days after the day of PSR/TAC approval.

Remember: Expenses are only eligible when services and/or products were received within the term of the grant.

---

## HISTORICAL BID TABULATIONS

---

As a project design resource, we've made bid tabulations from 2016-2018 available to the public on our [Engineering Webpage](https://www.tn.gov/tdot/aeronautics/engineering-documents---forms.html) (<https://www.tn.gov/tdot/aeronautics/engineering-documents---forms.html>)

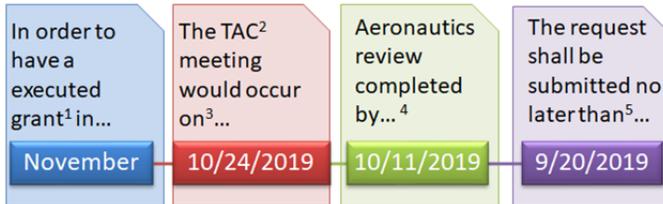

---

## REMAINING FUNDING REQUEST OPPORTUNITIES IN 2019

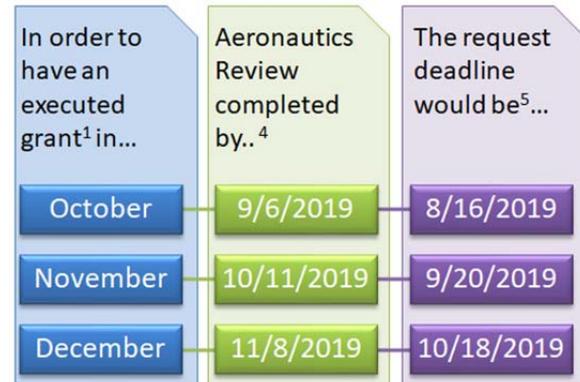

---

Thank you for submitting your project funding request for the August PSR and TAC meetings! The remaining funding request deadlines are...

### Non-Routine Projects (TAC Process)

### Routine Projects

---

## ANNUAL MEETINGS

---

Be on the lookout in August for the announcement about TDOT Aeronautics' Annual General Aviation Regional Meetings. Dates and locations will be announced then.

Together, we can all be successful!

Sincerely,

John-Paul Saalwaechter [sawl véktər], P.E. | CE Manager 2
