In accordance with Tennessee Code Annotated § 54-1-501, et seq., the Tennessee Department of Transportation has received proposals for CM/GC services on this project. The Department's selection committee has evaluated the proposals based on the criteria established in the Department's Request for Proposals (RFP), including the proposer's experience, key personnel, organization, project understanding and approach, innovations, CM/GC design process, and interviews.

The Department has determined that the best-evaluated proposer is:

Kiewit Infrastructure South Co.

The Department awarded this contract to the best-evaluated proposer on July 18, 2022, after affording all proposers seven (7) calendar days to review the procurement file, as provided in Tennessee Code Annotated § 54-1-505.
