

CMGC13: SR 1 (WEST STONE DRIVE) BRIDGE OVER NORTH FORK HOLSTON RIVER PROJECT

PROJECT INFORMATIONAL MEETING

The Tennessee Department of Transportation (TDOT), in cooperation with the Federal Highway Administration (FHWA), is proposing to reconstruct the SR 1 (West Stone Drive) Bridge over North Fork Holston River in Hawkins and Sullivan Counties, Tennessee. TDOT is seeking to retain a Construction Manager/General Contractor (CM/GC) to provide preconstruction services, and potentially construction services, for the project.

TDOT will be delivering the project utilizing the CM/GC contracting method. Contractors interested in working with TDOT on upcoming CM/GC projects are invited to attend this industry outreach session. TDOT is holding this informational meeting to present the project work, explain the Construction Manager selection process, review the anticipated procurement schedule, and how to effectively respond to the RFP. Optional 30-minute Q&A meeting time slots will also be available for interested contractors. Please contact Amber Warren by 12:00 noon EST on November 13, 2025, to schedule a meeting if interested. TDOT will notify each proposer of its individual meeting time after all requests have been received.

This is an excellent opportunity for contractors new to alternative delivery to get involved and gain valuable alternative delivery experience.

**WEDNESDAY,
NOVEMBER 19, 2025
10:00 AM EST**

**OPTIONAL 30-MINUTE Q&A
MEETINGS TO FOLLOW.**

TDOT Region 1 Complex Auditorium

7345 Region Lane
Knoxville, TN 37914
