Appendix C	In Addendum 2, the Indirect Costs in the Hourly/Unit Rates Form are stipulated by the Department. With the indirect rates being provided, the Certificate of Final Indirect Costs form in Appendix C does not appear to be applicable. Will this form be waived in a future addendum? The	The Certificate of Final Indirect Costs form will still be required. Proposers are certifying, as required for Progressive Design Build Projects under 23 CFR 635.507, that indirect cost that they use for cost proposals submitted at any point over the lifetime of this project, whether in the preconstruction phase services or during the construction phase, are allowable as indirect costs under Federal guidance outlined in 2 CFR 200 Subpart E.
