**STATE OF TENNESSEE NOTICE TO CONTRACTORS FOR**

**Progressive Design-Build (PDB)  
PD2401**

**I-65 over the Cumberland River and Cowan Street in Davidson County, TN**

The Tennessee Department of Transportation has received proposals for Progressive Design-Build services on this project. The Department's selection committee has evaluated the proposals based on the criteria established in the Department's Request for Qualifications (RFQ), including the proposer's team qualifications, key personnel, project experience, project approach, cost approach and Open to Traffic Date.

The Department has determined that the best-evaluated proposer is:

**Kiewit Infrastructure South Co.**

The Department selected this best-evaluated proposer on December 4,

2024.
