

Tennessee Department of Transportation Oversize and Overdimensional Rules and Regulations for THP Escorts

CHAPTER 1680-07-01 -.12 section 4 a.-c.
OVERWEIGHT AND OVERDIMENSIONAL
MOVEMENTS ON TENNESSEE HIGHWAYS

- (4) The TDOT Permit Office may require, as a condition for issuing a special permit, that the movement of a super heavy and/or extra-overdimensional load shall be accompanied by a law enforcement escort, as follows:
- (a) In general, the TDOT Permit Office will evaluate the need for a law enforcement escort based on the width and height of the load, the complexity of the load or movement, the speed of the movement, and the conditions of the route to be traveled.
 - (b) This law enforcement escort shall be in addition to any other escort vehicles required under this chapter.
 - (c) The permit shall require the permittee to reimburse TDOT for the actual cost of providing the law enforcement escort.

Authority: T.C.A. §55- 7-205.
