

I-40/81 Multimodal Corridor Study Virtual Public Meeting Invitation

The **Tennessee Department of Transportation (TDOT)** initiated a study to investigate a range of multimodal solutions along the interstate corridors of 40 and 81. This 18-month study has evaluated ways to manage congestion, improve safety, maximize the potential for freight diversion, and preserve/enhance each corridor's economic benefits. Public meetings were previously held to collect your concerns and ideas. As a stakeholder in the study, you are now invited to these virtual public meetings to review the multimodal recommendations regarding the TDOT Region 1 area (See TDOT Region 1 map). Due to concerns about the COVID-19 pandemic, the meeting will be hosted online by WSP USA using Zoom software.

You are invited to participate in this online virtual public meeting:

Wednesday, December 2, 2020, from 5:00 p.m. to 6:00 p.m. (Eastern Standard Time)

To join from a PC, Mac, iPad, iPhone, or Android device:

Please click this URL: <https://zoom.us/j/93851142798>

To join by phone dial: +1 301 715 8592 or +1 877 853 5257 (Toll-Free)

Enter Webinar ID: 938 5114 2798

Please join the meeting a few minutes early to test your connection with your phone or other device. Representatives of TDOT and WSP USA will start the meeting at 5:00 p.m. to provide a brief presentation and a question-and-answer session, immediately following. Up to 500 participants can be accommodated online. If you cannot access the webinar, you can view the meeting materials and a recording of this meeting on the project website at www.tn.gov/tdot/i-40-81-study.html.

If you need additional information, please contact Joan Barnfield, Project Manager, 615-253-2418 or Joan.Barnfield@tn.gov.
