The Department shall require that all prime contractors, except mowing and litter removal contractors, are to be licensed with the State of Tennessee, Department of Commerce and Insurance (TDCI), Board for Licensing Contractors (BLC). The prime contractor must be licensed in the general classification (e.g. Heavy Construction (HC), Highway, Railroad, Airport Construction (HRA), Specialty (S), Municipal and Utility Construction (MU), or Electrical Contracting (CE)) for the type of work in the project which they will perform. Bidders may submit a proposal without having a license and will be considered for award for twenty-one (21) days after proposals are opened. If the Bidder does not have a license with the TDCI, on or before twenty-one (21) days after proposals are opened, the Bidder will be considered non-responsive and their proposal will be rejected.

SECRETARY OF STATE REQUIREMENTS:

Title 48 of Tenn. Code Ann. requires all contractors and subcontractors that are domestic or foreign Corporations, Limited Liability Companies, Limited Partnerships, or Limited Liability Partnerships to be in good standing with the Secretary of State. This includes being duly incorporated, authorized to transact business, and/or in compliance with other requirements as detailed by the Secretary of State. Please contact the Secretary of State should you have any questions at (615) 741-2286 or visit www.sos.tn.gov/business-services.

The Department will not execute any contracts or approve subcontracts with contractors that are domestic or foreign Corporations, Limited Liability Companies, Limited Partnerships, or Limited Liability Partnerships, who are not in good standing with the Secretary of State (i.e. have a valid Certificate of Existence/Authorization). ISSUANCE OF BIDDING DOCUMENTS:

TDOT no longer issues hard copy Proposal Contracts and will only accept internet bids and bid bonds. The internet bid and electronic bid bond executed by the Contractor and their Surety will be considered as a complete bid. All requests for authorization to bid must be submitted on the Bidding Authorization Form provided on the Construction Division's website. This form must be complete before authorization to bid is given. Bidding authorization will be obtainable until 4:00 P.M. the day before the letting. A charge of \$25.00 will be made for each bid that is authorized. Any bid submitted via the Internet that is not authorized will not be considered.

Addenda to the Proposal and amendments to the electronic bidding file will be posted on the Bid Express website. Addenda will be acknowledged by all bidders through the electronic bidding program. It is the bidder's responsibility to monitor the Bid Express website for Addenda until 4:00 P.M. the day before the letting. The bidder will not be notified by the Department unless Addenda are issued after 4:00 P.M. the day before the letting. Failure to acknowledge receipt of Addendum Letters or to apply any applicable amendments to the electronic bidding file is grounds for rejection.

Standard Specifications for Road and Bridge Construction, Supplemental Specifications, the Bid Authorization Form, and a link to the Standard Drawing Library are available on the Construction Division's website.

All sales of bid documents, such as Bid Authorization and Standard Specifications, must be paid at the time of purchase. A sales tax of 9.25% will be added to charges when the purchaser is located in-state. All documents will be furnished without refund and transmitted at your risk.

When two or more contractors wish to bid together in a joint venture, each contractor will be required to make a written request to the Construction Division. This request shall be signed by an authorized signatory of each firm. In addition, a Bid Authorization Form must be submitted in the name of the joint venture.

ALTERNATE BID ITEMS:

If the proposal contains an alternate, the Contractor will be required to bid on only one alternate for each set of alternate items. The proper procedure for entering alternate bids is to enter prices for the intended alternate item(s) of construction and leave the undesired alternate item(s) of construction blank.

CERTIFICATION REGARDING SUBCONTRACTOR BID QUOTES:

The apparent low bidder for each project must provide a list of all subcontractors who provided a quote to perform work. The list shall be provided electronically on the TDOT form "Certification Regarding Subcontractor Bid Quotes" (Bidders List). The apparent low bidder shall submit this form before the close of business (4:30 PM, Central Time) five (5) calendar days after the date on which bids are required to be submitted (e.g., if bids are required to be submitted on a Friday, then the completed form is due by 4:30 PM on the following Wednesday). Emergency contracts will not require a bidders list. Failure to complete and submit this form within the time period required may result in the rejection of the bid.

BID GUARANTY:

Each bid must be accompanied by an electronic bid bond or a Cashier's or Certified Check made payable to the Department of Transportation, or Irrevocable Letter of Credit naming the Department as beneficiary (for Mowing and Litter projects only), in an amount equaling not less than five percent (5%) of the amount bid.

If the bidder's bond is offered as guaranty, the bond must be submitted electronically via Internet Bidding, must be made by a surety company qualified and authorized to transact business in the State of Tennessee and must be acceptable to the Department.

If a check is offered as guaranty, the check must be in the Department's possession by 10:00 A.M. the day of the bid opening and must be attached to the signed Proposal Guarantee form, which is available for printing on the Construction Division's website. The check of the successful bidder will be cashable at the discretion of the Commissioner, pending the satisfactory execution and acceptance of the contract and the contract bond.

Mowing and Litter Projects Only: If an Irrevocable Letter of Credit is offered as guaranty, the Proposal Guaranty Irrevocable Letter of Credit, which is also available on the Construction Division's website, must be signed by an authorized official of an authorized financial institution and in the Department's possession by 10:00 A.M. the day of the bid opening.
