

STATE**OF****TENNESSEE**

(Rev. 08/20/26)

April 1, 2026

Supplemental Specifications - Section 100**of the****Standard Specifications for Road and Bridge Construction****April 1, 2026**

Subsection 104.11, (pg. 32), 08-20-26; Value Engineering Change Proposal; Revise Paragraph 8:

The Department will not normally consider a VECP that would require any changes in pavement design, right-of-way, relocation of bridges, or any changes that would require modification of the approved environmental documents for the project. Right-of-way cannot be purchased as part of a VECP. The Department will not accept a VECP that is similar to a change in the Plans or Specifications under consideration by the Department for the Project at the time the VECP is submitted; nor will the Department accept a VECP based upon, or similar to, Standard Specifications, general use Special Provisions or Standard Drawings adopted by the Department after the advertisement for the Contract. The Department will not consider a VECP based solely on the basis of reductions, elimination, or substitution of temporary traffic control (TTC) devices, including portable barrier rail, temporary pavement markings, traffic signals, arrow boards, crash attenuators, drums, cones, or similar devices required for maintenance of traffic or work zone safety. VECP savings will only be applied to the specific Contract under which they are proposed. The Department reserves the right to make such changes without compensation to the Contractor in accordance with 104.02.

Subsection 105.05, (pg. 39), 08-20-26; Duties of Contractor; Revise 1st Paragraph:

Maintain one complete set of the Contract documents, including applicable Standard Drawings, on the Project at all times. The Department will supply plans, without cost, two copies of the and contract documents in electronic proposal form to the Contractor. and Plans, except Standard Roadway and Structure Drawings. The Department will provide the Contractor with Additionally, SStandard Roadway and Structure Drawings are available electronically on the Department's website at cost upon request.

Subsection 107.18, (pg. 76), 08-20-26; Claims Against the Department; Add New 2nd Paragraph:

Any notice to the Department pursuant to the Tennessee Prompt Pay Act, Tenn. Code Ann. §§ 66-34-101 et seq., shall be delivered to the Director of Construction at Department headquarters.
