**Re: ADDENDUM #1
 I-75 letter of interest
 County: Hamilton**

To Whom It May Concern:

This addendum revises Section IV: Project Understanding and Approach in the proposal package for phase II to:

(d) Provide, at a conceptual level, your understanding of and your approach to successfully delivering the project by meeting or exceeding the established project goals. The objective is to identify an understanding of the management, technical innovation, environmental compliance, maintenance of traffic, scheduling, issues, and risks, as well as the understanding of how the Design Build process will contribute to the success of the Project, meeting TDOT's goals, and relationships of the team.

Sincerely,

A handwritten signature in blue ink that reads "Lia Obaid".
