Having problems logging in?

Check to make sure the dropdown on the login page correctly reflects your affiliation. These are as follows:

- *TDOT Employees: Select **TDOT***
- *Non-TDOT Employees: Select **AWP External Users***

If problem still occurs, try resetting your password – for instructions on how to do this, see below.

How to reset your password (Non-TDOT employees):

- (1) Change the dropdown menu on the login page to say AWP External Users*
- (2) Select the **Reset Password** button that appears after changing the dropdown*
- (3) Follow the prompts to reset your password*
- (4) You should receive an email with a temporary link to reset your password*
