INSTRUCTIONAL BULLETIN No. 02-07

Regarding Replacement of Section 4 in the Metric Design Guidelines

Attached is the revised Section Four (Construction Plans) (Revision: April 10, 2002) for the Metric Design Guidelines. All sheets of the existing Section Four Metric Design Guidelines are to be replaced. This revision incorporates standard structure drawing changes and a series of minor changes and corrections into Section Four. See *Section 4-604.00 (page 4-55) for information regarding new box and slab type culverts and bridges.*

This revision is to be effective for the September 13, 2002 letting. This instructional bulletin will void Instructional Bulletin 01-29.

See Instructional Bulletin 02-06 for Chapter Four Replacement in the English Design Guidelines.
