INSTRUCTIONAL BULLETIN NO. 12-11

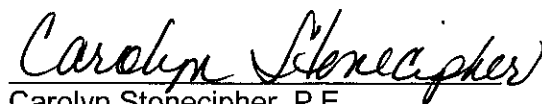

Regarding Resurfacing Projects with Bridge Repairs.

Effective immediately, the following section is added to the Design Guidelines.

4-126.00 RESURFACING PROJECTS WITH BRIDGE REPAIR QUANTITIES

On resurfacing projects that include bridge repairs the designer shall:

- Add the bridge repair quantities received from the Bridge Repair Section to the estimated quantities sheets in a separate quantities box titled "Estimated Bridge Quantities."
- Footnote the Bridge Repair Quantities with the following note and fill in the blank with the appropriate sheet number.
"FOR BRIDGE REPAIR DETAILS SEE SHEET ___"
- Add the bridge repair quantities to the Estimated Quantities excel file in the Box Bridge Tab.
- Add the resurfacing project number and the bridge repair project number to the project number block on the top right corner of on the title sheet, all bridge repair sheets and the estimated quantities sheet. The bridge repair type shall be listed as: "BRIDGE"
