ENGINEERING PRODUCTION SUPPORT MEMORANDUM

TDOT Quality Manual

Effective immediately, the July 2025 edition of the TDOT Quality Manual and its supporting documents have been updated to align with the revised PDN Manual. These documents are now released for use on PDN Projects. The following documents were updated as part of this memorandum:

- TDOT Quality Manual
- Quality Control Checklists
- Quality Assurance Checklists
- Project QA Evaluation Form
- Project Quality Management Plan
- Final PS&E Turn in QA Evaluation Form

The following items have been developed and are being released with this memorandum.

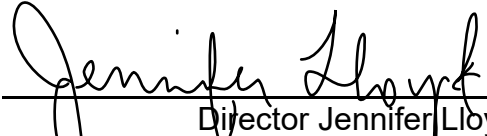

- Plans Assembly Recorded Training – located on our SharePoint Page
- Power BI Dashboard to track Letting Revisions – located on our SharePoint Page

The TDOT Quality Manual (July 2025) can be found on the TDOT's website:

<https://www.tn.gov/tdot/state-engineering-technical-training/production-support/design-quality.html>

The EPS Design Quality SharePoint site can be used to access any of our material as well:

https://tennessee.sharepoint.com/sites/TDOT_BOE_RWDD/SitePages/Design-Quality.aspx
