

INVITATION TO BID

PROJECT: Replacement of four bridges on the Kenton Branch of the West Tennessee Railroad in Gibson and Madison County, Tennessee. The steel superstructures have been procured separately and are currently in fabrication. Work will consist of pile driving, setting steel caps and spans, and associated trackwork.

DESIGNER: CSR Engineering, Inc.
2010 Highway 49E
Pleasant View, TN 37146
Phone: (615) 212-2389

Bids are invited for a General Contract for the work on the above project.

The Gibson County Railroad Authority will receive bids at the address below:

Mayor Nelson Cunningham, Chairman
Gibson County Railroad Authority
1 Courtsquare, Suite 200
Trenton, TN 38382
Phone (731) 855-7613x6

Until **2:00 P.M., CT on Thursday October 6, 2022** at which time and place bids will be publicly opened by the Authority.

The Designer will hold a non-mandatory pre-bid conference on **Thursday September 22, 2022 at 10:00 A.M.** Details are within the bid documents.

Bidding documents may be examined at the Designer's office. Bidding documents may be obtained from the Designer upon the Designer's receipt of a check made payable to CSR Engineering, Inc. in the non-refundable amount of \$50.00 per set, per project. Bidders submitting bids equal to or greater than \$25,000 in value are required to be licensed in accordance with state law.

The Authority reserves the right to waive informalities and to reject all bids. It is understood that the Authority may increase, decrease or delete 25 percent of the work on the bid form. Any item may be increased, decreased or totally eliminated at the option of the Authority. The Authority may impose liquated damages in the amount of \$300.00 per consecutive calendar day that the project is not completed. The Engineer shall have final decision as to the completion of the project.

This project is funded under a grant contract with the State of Tennessee (#98RR22S3008, #98RR22S3009, #98RR22S3010)
