

BID ADVERTISEMENT:

West Tennessee Railroad
Old Dyersburg Road Signal Project

Separate sealed bids for the Old Dyersburg Road Signal Project for the West Tennessee Railroad, Barry Crabtree, General Manager, will be received at the Office of CSR Engineering, Inc., 1116 Main Street, Pleasant View, TN 37146 until 3:00 p.m. local time on the 2nd day of April, 2020, and then at said office publicly opened and read aloud.

The work by Contractor will consist of furnishing all materials, labor, supervision, transportation, tools, equipment and items incidental to construction necessary to complete the proposed project. The proposed project generally consists of furnishing and installing Railroad flashing-light signals with gates and crossbuck (R15-1) signs using constant warning time (CWT) train detection circuitry.

The Information for bidders and other Project Documents may be obtained from the office of CSR Engineering, Inc., 1116 Main Street, Pleasant View, TN 37146, Phone (615) 212-2389.

The owner reserves the right to waive any informalities or to reject any or all of the bids. Award of the bid is contingent upon availability of funds.

No Bidder may withdraw his bid within 90 days from bid opening.

Time Limit – work will begin within 30 days of the date of a written notice to proceed and will be coordinated with the State Contractor to meet the schedule of the project.

Liquidated Damages: A penalty of \$300 per calendar day will be assessed to the Contractor for each day beyond the stated time limits until the project is 100% complete.

This project is funded under an agreement with the Department of Transportation. Bidders must be licensed general Contractors to perform the type construction herein described as required by the Tennessee Code Annotated, Title 62, Chapter 6, Section 62-6-119.

A job showing will not be held for this project.

Barry Crabtree, General Manager
