FROM: *RP* Ronnie Porter, Director, Program Development and Administration Division

SUBJECT: **Proprietary Item Request and Justification for the City of Kingsport for Pavers, Joint Sand, Benches, Bike Racks, and Trash Receptacles.**

I, Ronnie Porter, Director of the Program Development and Administration Division, request approval for the City of Kingsport to be certified to utilize the following proprietary item(s) over the next three years, where Federal funding is used:

Concrete Pavers - Belgard Holland Stone, Guilford Blend
 Polymeric Joint Sand - Alliance G2 Gator Maxx Bond, Slate Gray
 Bench - Anova L1360- Rendezvous 6' Contour Bench, Gloss Black Finish
 Bicycle Rack - Anova LBR3PVC SURF - Metro 1-Loop Bike Rack w/3-Bike Capacity. Gloss Black Fusion
 Advantage Trash Receptacle - Anova L2006 - Metrix Trash Receptacle with Top Opening and Side Door. Gloss black

Justification

These items are essential for aesthetic continuity and synchronization with existing furnishings and pavers. Each of the furnishings indicated above are standard for the City of Kingsport and are used in other locations within the downtown area, and are in line with the Downtown Master Plan.

If you have any questions or comments, please contact **Taylor Lee** at (615)532-3166 with the Local Programs Development Office or at Taylor.M.Lee@tn.gov.

I, Ronnie Porter, Program Development and Administration Division Director, of the Tennessee Department of Transportation, do hereby certify that in accordance with the requirements of 23 CFR 635.411(a) (2) that the patented or proprietary item(s) as listed above is essential for the synchronization with existing facilities or no equally suitable alternative exists for this patented or proprietary item as listed above.
