TO: Ben Price, Assistant Chief Engineer of Operations

FROM: Lee Smith, Interim Director of Traffic Operations

SUBJECT: **Proprietary Item Request and Justification**
City of Harriman

The City of Harriman is requesting the following item be used in all roadway lighting projects within their jurisdiction over the next three years where Federal and/or State funding are used.

➤ **Roadway Lighting:** Holophane Lighting Fixtures.

The above item is essential for synchronization with existing facilities. The City of Harriman currently operates and maintains these lighting fixtures within the city limits. Using Holophane lighting fixtures would reduce the time required to maintain the lighting system and would ensure a synchronized system. See attached letter for additional justification details of this request.

I, Lee Smith, Interim Director of the Traffic Operations Division of the Tennessee Department of Transportation, do hereby certify that in accordance with the requirements of 23 CFR 635.411(a) (2) that the patented or proprietary items listed above are essential for the synchronization of existing facilities.

Re: Proprietary Item Request and Justification for Holophane Lighting Fixtures for the City of Harriman

Dear Mr. Bryan,

The City of Harriman is requesting that Holophane lighting fixtures be used in all lighting projects over the next three years where Federal and/or State funding is used.

The following are justification items for this request:

The City of Harriman currently operates and maintains these lighting fixtures within the city limits. Using Holophane lighting fixtures would reduce the time required to maintain the lighting system and would ensure a synchronized system.

Please let me know if you need any further justification or information regarding this request.

Sincerely,

Scott Mason
Harriman City Manager
