

# **QPL 2 WATERPROOFING MEMBRANES & MATERIALS**

## **SECTION A. WATER PROOFING MATERIALS: CLASS I AND II**

### **PROCEDURES**

#### **GENERAL**

This evaluation procedure outlines the Department's approval process for materials used in damp proofing and waterproofing concrete bridge deck surfaces.

#### **SPECIFICATION**

TDOT 906, 605

#### **PROCEDURE**

A completed Product Evaluation Form, MSDS sheets, if applicable, product data information and sample of the product being tested must be submitted to the Division of Materials and Tests.

The manufacturer must submit certified test results stating that the material meets the above specifications.

## **LIST 2 SECTION B. BRIDGE DECK SEALANT: SYSTEM A AND B**

### **PROCEDURES**

#### **GENERAL**

This evaluation procedure outlines the Department's approval process for materials used in damp proofing and waterproofing joints in concrete surfaces.

#### **SPECIFICATION**

TDOT 906, 617

#### **PROCEDURE**

A completed Product Evaluation Form, MSDS sheets, if applicable, product data information and sample of the product being tested must be submitted to the Division of Materials and Tests.

The manufacturer must submit certified test results stating that the material meets the above specifications.
