

PUBLIC COMMENT FORM

State Route 32 (US-321) Improvements Environmental Assessment, From near State Route 73 at Cosby to north of Wilton Springs Road, Cocke County, TN, TDOT PIN 1901422.00

The Tennessee Department of Transportation (TDOT), in cooperation with the Federal Highway Administration (FHWA), proposes to improve State Route (SR) 32 (US-321) from SR-73 at Cosby to north of Wilton Springs Road, Cocke County, Tennessee, for a distance of approximately 7.1 miles.

Since this project is proposed to be funded in part with federal transportation funds, TDOT and FHWA are preparing an Environmental Assessment (EA) in accordance with the National Environmental Policy Act (NEPA) to identify and evaluate the environmental effects of the proposed project and to identify measures to minimize harm.

TDOT would like your input to help move the project forward. Please take a few moments to answer the questions below. You may return the comment card by mail to the address on the back of the comment form by **June 14, 2022**. Comments may also be submitted electronically via email to TDOT.comments@tn.gov by **June 14, 2022**.

Which best describes your primary interest in the project? (CHECK ALL THAT APPLY)

Concerned Citizen____ Affected Resident____ Affected Landowner____ Affected Business____

What do you like and/or dislike about?

No-Build Alternative – No improvements made to existing SR-32 (US-321) other than routine maintenance.

Build Alternative A – _____
