Employee Transit Card Application

Thank you for participating in the State Employee Transit Card Program that will contribute to air quality improvements and reduce congestion in the Metro-Davidson County area. The following information should be reviewed, completed, and signed by the employee requesting the transit card. Submit to your Human Resources Office (HR) to obtain approval, then HR will forward to the Tennessee Department of Transportation (TDOT). You will be notified by HR when your card is ready for pick-up.

Qualifications

The employee transit card is available to all full-time and 120 day appointment state employees who work in Metropolitan-Davidson County. The program is **not available** to the following individuals:

1. Temporary, seasonal, interns and co-ops
2. Contract Employees - Those individuals who are hired by an outside agency to provide services to state agencies. (Some examples are: temporary employees, janitorial personnel, consultants, security personnel, etc.)
3. Employees of the Board of Regents *and/or* Universities
4. State Employees who have abused the program and have had their transit card privileges suspended or revoked.

A Human Resources Representative from the employee's agency will validate the above by signing the employee's transit card application on the following page.

1. The transit card is not a right, but a privilege authorized for state employees in good standing.
2. The transit card is ONLY for state employees and WORK RELATED trips.
3. The transit card will expire after three years and must be renewed.
4. Upon exit from state service, the transit card is to be returned to the agency's Human Resource Contact.
5. All name changes and employees transferring to other state agencies must notify their agency Human Resource contact to report the change to TDOT.
6. Employees are limited to 100 rides per month.

Violation of Rules / Abuse

If an employee is found in violation of any rule or is found abusing the transit card program, the employee's transit card privileges will be **revoked for one year**.

NOTE: TDOT and/or the employee's agency head may, at their discretion, revoke an employee's transit card at any time because of abuse.

Card Lost/Stolen/Damaged:

In the event an employee's card is lost, stolen or damaged, **the employee must immediately request cancellation** of the card to their HR office or the Long Range Planning Division's Smart Commute Team at Swipe.N.Ride@tn.gov. If a replacement card is desired, the employee must fill out an application indicating that they require a replacement and **provide it, along with a \$10.00 replacement fee (check or money order only)** to their Human Resource Office Program Administrator. Checks should be made payable to the "**Nashville Metropolitan Transit Authority**".
