Funds are awarded annually via formula to the following public transportation agencies, which operate in rural regions across the state of Tennessee:

Delta Human Resource Agency

Mid-Cumberland Human Resource Agency
Northwest Tennessee Human Resource Agency
Pigeon Forge Fun Time Trolleys
Southeast Tennessee Human Resource Agency
South Central Tennessee Development District

The purpose of this letter is to advise other private, public transit, and paratransit operators of the funding opportunity and to insure service across the state is coordinated. Other providers may be eligible to receive reimbursement funds through purchase of service agreements with the eleven funded agencies to avoid duplication of service(s).

Each recipient of Section 5311 funds will hold a public hearing on the proposed grant application. Written comments or proposals regarding the application should be sent to the relevant agency, with a copy forwarded to the Multimodal Division via mail or email, at TDOT.MultiModalAdmin@tn.gov.

Sincerely,
