- Preparation of required bidding documents in accordance with TDOT requirements
- Bidding and Contract Administration
- Provision of CEI services during construction

Estimated Schedule for Performance of Work

- Survey/Preliminary Engineering Design Plans – 2 months
- Construction Plans/Bid Process – 4 months
- Award Project/Begin-Complete Construction – 2 months

Firms may request consideration by submitting a letter of interest along with qualifications to the City of Springfield, 405 N Main Street, Springfield, TN 37172 Attn: Lisa Crockett / City Recorder. Please reference **REQUEST FOR QUALIFICATIONS CITY-WIDE RESURFACING PROJECT BID #1270** on the outside of the sealed envelope. All letters of interest must be received by the City of Springfield in the Office of the City Recorder, by 2:00 PM (local time), Wednesday, January 31, 2024. The letters of interest and qualifications shall indicate the scope of services to be completed by any sub-consultants. Method of payment shall be monthly invoices submitted with percentage of work completed based upon proposed fee per phase of required scope of services.

Phase I Evaluation

For Phase I evaluations firms shall submit letters of interest with firm contact information including name, address and e-mail of primary contact. The letters of interest shall also include:

- Past experience in the required disciplines and similar projects with TDOT and other clients
- Qualifications and availability of staff
- Demonstrated ability to meet schedules without compromising sound engineering practice
- Evaluations on prior TDOT projects and other clients, if available
- Size and scope of previous projects
- Amount of work under contract with TDOT and other clients
- Knowledge of Federal and TDOT CEI requirements

From the letters of interest, the **City of Springfield** will select 3 qualified firms to submit Phase II qualifications. From this list the top ranked consultant will be selected.

Phase II Evaluation

The **City of Springfield** will evaluate the top 3 firms on the following criteria (relative weight):

- a. Technical experience with similar milling/resurfacing projects (20%)
- b. Key Project Personnel Qualifications and Experience (20%)
- c. Knowledge of Project and Area (25%)
- d. Previous experience with Agency Projects and Past Performance (35%)

The consultant evaluation committee holds the ability to conduct interviews based on scoring as Phase III Evaluation.
