

ADDENDUM NO. 7

July 7, 2025

Reference: **New Canada Road (PIN 107036.00)**
City of Lakeland
Shelby County, TN

The following additions, deletions, and/or revisions shall be made part of the Plans dated **August 30, 2024**, for the referenced project. This addendum shall have precedence over the plans and specifications on all items listed and described herein; however, it shall not change the intent and requirement of the plans and specifications for any item not specifically mentioned.

Clarification:

Clarification 1: Addendum #6 – Clarification #1 – Engineer's response quoted a sentence from TDOT SP624, Page 7 which state2 *'If Contractor's design (retaining wall) requires the use of select backfill, the unit price for the wall shall exclude any additional backfill costs due to the use of select backfill material.'*

Select material required by retaining wall design as backfill for the wall will not be measured separately for payment but shall be considered incidental to other pay items.

Question:

Question 1: Environmental commitment limits tree clearing to the period from October 15th through March 31st. If NTP is before October 15th, will time be charged due to the clearing and grubbing item being the critical path?

Response: We are planning to issue the NTP for Monday, October 6th, assuming that we receive TDOT concurrence with this bid.

Bidder Must Acknowledge Receipt of this Addendum, utilizing the attached "Addenda Acknowledgement Form." The acknowledgment form must be submitted with the bid package.
